A. At the August 7, 2014 meeting, City Council accepted a Library grant through the Edge Implementation Reimbursement Program for the purchase of 5 e-readers, 7 Chromebooks and 1 laptop.

B. At the June 5, 2014 meeting, Council approved a Memorandum of Understanding between the City and the Library for contributions to be transferred to the City. In Sept. 2014, the NCRML Board transferred the 2nd payment of $604,716.

C. Utilizing financial contributions mentioned in Note B above, architect and engineering fees were paid in FY14 for the Library Renovation and Expansion Project.

D. From July 1, 2014 through September 30, 2014 the City received an $178,318 in donations from various donors for the construction of a new animal shelter.

E. Utilizing capital donations and proceeds from the 2014 Certificate of Obligations, architect and engineering fees were paid in FY14 for the construction of a new animal shelter.

F. Amend HOT Fund revenues for increased collections.

G. At the 8/21/14 BCDC meeting, the Board approved an additional transfer of $6,877 from the BCDC Fund to the BCDC Capital Projects Fund for land title policy expenses related to the new southside family park.

H. Gas consumption and sales increased as a result of a colder winter which increased franchise fee to the General Fund.

I. At the February 20, 2014 meeting, the Council approved the issuance of the 2014 General Obligation Refunding Bonds (refunding a portion of the 2007 QO Ref. Bonds).

J. Budgeted expenses for the planning infrastructure improvements at the new southside family park will not be incurred until FY15.

K. Budgeted expenses for the Fire Department’s new rescue and pumper trucks will not be incurred until FY15.

L. A portion of the budgeted grant revenue and capital outlay expenses related to the Airport Hangar and Taxiway construction grant will not be incurred until FY15.

M. A portion of the budgeted capital outlay expenses related to the Chappell Hill Street Extension Project will not be incurred until FY15.

N. Materials needed for the reconstruction of Burleson St. were funded by the 2008 Water Bonds, therefore a transfer is needed from the Water Fund to the General Fund to cover these expenses.

O. Electric revenues were higher than expected reflecting higher energy pass-through costs from LCRA.

P.Unexpected rate refund from LCRA created by favorable non-fuel budget variances. LCRA decided to refund due to higher energy/fuel costs.

Q. Gas revenues were higher due to a colder winter.

R. Water revenues were lower than budget due to lower consumption.

S. Wastewater revenues were higher than budget.

T. Sanitation revenues were higher than budget.

U. LCRA generation rates exceeded budget estimates.

V. Department expenditures in the Electric Fund exceeded budget due to Blue Bell project and the fiber expansion project.

W. Gas purchase costs were higher than budget because of higher volume consumption due to a colder winter.

X. The scope of the High Pressure Plane project funded by the 2008 Water Bond was expanded.

Y. Lower franchise tax on lower revenues and budget savings on utility line projects offset budget overages in overtime, bond issue costs and water purchase costs.

Z. The Wastewater Fund had some budget overages on electricity used to power the treatment plant. Partially offset by savings in other accounts.

AA. At the August 7, 2014 meeting, Council approved the purchase of a refurbished cardboard baler for the Recycling Center. In addition, there were overages associated with the purchase run to the landfill.

| AGENDA ITEM DESCRIPTION: | Discuss and Possibly Act Upon Final Payment to Legacy Concrete Works, LLC for the Construction of the Ralston Creek Box Culvert at Gun and Rod Road and Authorize the Mayor to Execute Any Necessary Documentation |
| SUMMARY STATEMENT: | As discussed at an emergency meeting of City Council on December 4th, the Ralston Creek crossing on Gun and Rod Road sustained damage that required immediate attention. At the time of the meeting, staff did not have quotes; however, since the repair of the crossing was deemed an emergency, Council authorized the Mayor to enter into a contract once staff had received and reviewed the quotes. Staff received two quotes with the lowest being $73,500. Staff believed the lowest quote was reasonable and it was executed so that work could begin as soon as possible. During the course of the construction, some field modifications were made that decreased the length of the culvert, as quoted, which decreased the cost by $3,800. Also during construction, staff saw the need for additional headwalls in order to provide a safer crossing. These headwalls were added at a cost of $6,000. Accounting for the deduction of $3,800 and the addition of $6,000, the final invoices from the contractor total $75,700. The contractor has completed construction and staff recommends final payment in the amount of $75,700. |

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon A One (1) Year Extension in Accordance with Bid No. 14-002 for Janitorial Services for Various City Facilities and Authorize the Mayor to Execute any Necessary Documentation.

**SUMMARY STATEMENT:** On December 5, 2013 the City Council awarded Ambassador Higher Cleaning Standards the annual contract for janitorial services related to numerous City facilities. This contract was significantly lower than the previous company and ultimately saved the City of Brenham approximately $30,000. This contract was for a total of up to 3 years if both parties agreed. On January 15, 2015 the first term of the 3 year contract is up and a renewal is needed in order to proceed with the additional 2 years.

During the past year an addendum was taken to council to adjust certain facilities on the contract such as removing the Library Building, Central Communication Building and adjusting City Hall cleaning due to the addition of the Library move in. There were two areas also added such as the Central Warehouse Building and the All Sports Building. Overall there was still a savings due to the Communication Building being deleted from the contract.

Overall the service that Ambassador has performed during the last year has been good. They have been willing to adjust with the City’s changes and still remain easy to communicate with and react quickly to requests. The Police Dept. has asked that one item in the “cleaning schedule” for their building change. In the past the Police Dept. has been cleaned on a Mon-Friday schedule. The department has requested that schedule change to a Sun-Thursday due to that facility being ready to the public on Monday morning. It has been a problem over the weekend when the building isn’t cleaned on Saturday or Sunday.

Due to this request Ambassador has indicated that they would like to renew their contract at the current prices except there would be a slight increase for the schedule change at PD. This increase would be $100 more a month or an additional $1200 per year for the Police Dept. This is due to bringing employees in on a Sunday for a higher weekend rate. I have spoken to Chief Phelps and this is something that is needed and he is ok with.
We would like to ask Council to extend the annual contract with Ambassador Higher Cleaning Solutions for an additional year with one adjustment being the increase for the Sunday-Thursday cleaning schedule change for Brenham PD. The renewed contract will be for $62,618 annually. The original contract was awarded at $66,036 in 2013.

**STAFF ANALYSIS (For Ordinances or Regular Agenda Items):**

**A. PROS:** Same vendor and do not have to bid. Saved money from original bid.

**B. CONS:**

**ALTERNATIVES (In Suggested Order of Staff Preference):**

**ATTACHMENTS:** None

**FUNDING SOURCE (Where Applicable):** 131-450.00, 146-450.00, 151-450.00, 152-450.00, 150-450.00, 149-450.00

**RECOMMENDED ACTION:** Approve a one year contract extension with Ambassador Higher Cleaning Solutions (related to Bid No. 14-002) for the janitorial services for various city facilities and authorize the Mayor to execute any necessary documentation.

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon an Ordinance on Its First Reading to Repeal Ordinance No. O-04-007 for Placement of a Stop Sign on Chappell Hill Street at Its Intersection with Stringer Street

**SUMMARY STATEMENT:** In 2004, an Ordinance was adopted to place a stop sign on S. Chappell Hill St. at Stringer St. At that time Chappell Hill was only a small section of roadway that lead to a dead end. Due to the upcoming connection of S. Chappell Hill Street to Market Street, staff does not feel that the stop sign originally placed in 2004 is a good fit for this intersection. Therefore, we are recommending that the stop sign on S. Chappell Hill Street be removed to allow traffic to flow between Market Street and US Highway 290 feeder road.

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon the Possible Authorization to Accept a Grant from the Susteen Mobile Forensics Grant Program for a Mobile Forensics Software Unit and Authorize the Mayor to Execute Any Necessary Documentation

**SUMMARY STATEMENT:** The Department was recently notified of a grant opportunity which would assist in the purchase of a mobile forensic software unit. The grant does provide training on the unit. The police department has researched this unit and has spoken to several agencies within the State that use the package. They all spoke very highly of it. The grant pays 60% of the unit price or $7,391 and the Department’s match is $4,999 which is available through the Asset Forfeiture Account.

**STAFF ANALYSIS (For Ordinances or Regular Agenda Items):**

**A. PROS:** Will have a mobile forensic software unit as the department to analyze and capture technological data; will eliminate the need for officers to travel to retrieve the data.

**B. CONS:** None Identified
