AGENDA ITEM DESCRIPTION: Discussion and Presentation Amending the Rate Tariff Schedule(s) for the City of Brenham’s Collection Station

SUMMARY STATEMENT: Over the last year we have been evaluating our operations at the City of Brenham Collection Station located at 2009 Old Chappell Hill Road. One area that is operating at a deficit is our brush grinding operation. This operation is falling behind in covering its costs on an annual basis. This past year we brought in roughly $126,000 in revenues with total expenditures at the $183,000 mark. Revenues were comprised of mulch sales and charging for commercial brush at $15/ton. Expenditures include salaries for those employees operating the wood waste operations, maintenance on the grinder and fuel. We continuously look for ways to bring in revenue to offset our grinding costs and keep rates low for our customers. It has been apparent that with the past droughts that we are receiving more material than we can currently grind and sell through mulching. We also have to make sure that our revenues are covering our capital needs in this operation. In the next few years we will be replacing the 2002 Diamond Z Tub Grinder which has been a key component to managing wood waste at the Collection Station. Estimated costs are between $500,000-$600,000 for an alike unit.

At this current time we are recommending the following:

- Allocating 18% of the brush grinding costs to our Residential Collection Department. ($33,000 in expected revenue to Collection Station). It was calculated that City residents bring in on average 18% of the total amount of brush throughout the year. We do not charge the citizen directly when they enter our facility and this can be allocated by directing a percentage from our residential collection revenues. We also provide city residents a curb side collection on Wednesdays (by call-in) and there is no direct charge to that service as well. We feel that by allocating 18% out of residential collection this will contribute to the services that we provide the city residents and no increase will be seen on the customer side. This will however decrease the overall revenues in residential slightly but makes sense since we are not charging at the Collection Station gate.
• **Raising commercial brush rates an additional $5 per ton, to a total of $20/ton ($17,000 in expected revenue to Collection Station).** Since commercial collection contributes 55% of the total brush brought in to the collection station we feel that this rate needs to be raised because it is costing us more by grinding this large amount of brush and contributes to the wear and tear on the grinder. This brush is also bulkier and harder to handle. We also receive large quantities of this material from commercial customers and spend most of our time managing this material.

• **Establish a rate of $10/ton for the Washington County Work Crew and the Washington County Road and Bridge for material brought to Collection Station ($6,000 in expected revenue to Collection Station based off of history)** In the past both of these entities have not been charged for material brought into the collection Station as it relates to wood waste. Overall the Washington County Road and Bridge contributes 5.5% of the total brush to the Collection Station. The Washington County Work Crew contributes 4.5% to the Collection Station. Even though this is a small portion it does contribute to our grinding costs and the material originates from roads throughout the County. County residents are not charged for brush when brought to the Collection Station. These residents bring in 11.5% of the wood waste. In 1999 an ILA was signed with the county that does state “In the event the collection center has an operating deficit, the County agrees to provide one half of the funding for the deficit. The City shall bill this annually. In the event the Collection Station has an operating profit, the profit shall be used to offset future deficits. By charging $10 per ton this falls below the $20 proposed rate for commercial customers.

We would also look at raising our disposal rates on tires. We have had the same rates for over 10 years and within the last 3 years we have been charged to dispose of used tires by the pound rather than by the tire. In order to balance this change we recommend raising the rates as follows:

<table>
<thead>
<tr>
<th>Size</th>
<th>Current Rate</th>
<th>Recommended Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>15” and below</td>
<td>$2.00/tire</td>
<td>$2.50/tire</td>
</tr>
<tr>
<td>16” and above</td>
<td>$5.00/tire</td>
<td>$7.50/tire</td>
</tr>
<tr>
<td>Large Truck and Tractor</td>
<td>$35.00</td>
<td>$45.00</td>
</tr>
</tbody>
</table>

This will not be a dramatic change but based on the average weight of the tires for each group this will allow us to better cover the cost of disposal.

AGENDA ITEM DESCRIPTION: Discussion and Presentation Regarding an Events Policy for the City of Brenham

SUMMARY STATEMENT: As staff has discussed with Council previously, non-City sponsored events held in the city have become very time consuming for staff and some events can have an unexpected fiscal impact on departmental budgets. In an effort to clarify the steps currently taken by staff for all special events, I have included with this item a flow chart for each type of event. Please note that since January, my office has received ten (10) requests for special events.

During Work Session on March 5th, staff presented a draft Special Events Policy to Council. Based on the feedback received from Council, I made the following adjustments to the policy:

- Created a new definition for a “Special Event”. These events would be anything that required closure of state right-of-way for longer than four (4) hours, required electrical hook-ups and/or service, and/or any special equipment or services to be provided by the City (i.e. stage, roll-off dumpster, etc…).
- Removed BISD, Blinn College and other governmental entities from the exemption list.
- In regards an “Event” – added an application fee of $25 and an event fee of $100
- In regards a “Special Event” – added an application fee of $50 and an event fee of $2,000
- Added notification language.

CITY OF BRENHAM
EVENT POLICY
(Effective April 2, 2015)

ALL COMPLETED APPLICATIONS SHALL BE SUBMITTED TO THE CITY SECRETARY’S OFFICE FOR PROCESSING. PLEASE NOTE THAT THE ACCEPTANCE OF YOUR APPLICATION BY THE CITY SECRETARY SHOULD IN NO WAY BE CONSTRUED AS APPROVAL OR CONFIRMATION OF YOUR EVENT.

Definitions

**Event** – shall mean an event to be held within the City of Brenham that is of limited duration, and is likely to attract 100 or more attendees and shall include, without limitation, exhibitions, automobile races, sporting events, festivals, air shows, carnivals, circuses, revivals, tent sales, concerts, parades, runs, walks, races, or motorcades.

**Special Event** – shall mean an event to be held within the City of Brenham that requires closure of state roadways for longer than four (4) hours, electrical service, and/or special equipment or services to be provided by the City.

**Street Closing Event** – any activity, including but not limited to events, which require the closing of any public street, sidewalk or alley and which require rerouting of normal or usual traffic flow.

**Parade** – any march or procession consisting of people, animals, or vehicles or a combination thereof, except funeral processions, upon any public street, sidewalk, alley, park or other outdoor places owned or under control of the City.

**Run** – any event that is considered a walk, run, or race consisting of people upon any public street, sidewalk or alley.

**Gathering** - describes a single event per day conducted or held by an organization; each gathering will be applied its own fee based. One organization may choose to hold more than one gathering during a 2-3 day period but each gathering will be treated separately.
**Exemptions**

The following may be conducted within the City of Brenham without a permit:

1. Events, Street Closing Events, Parades, Runs, Walks, Races, Special Events, or Motorcades hosted, conducted or sponsored by the City of Brenham shall not require a permit, but notice of the event shall be given to the Police Department, Fire Department, Public Works Department, Public Utilities and Development Services Department.

2. Private parties held on residential private property and to which the public is not invited and where there are not more than 100 guests.

3. An event wholly contained on property specifically designed or suited for the event and which has an appropriate certificate of occupancy, appropriate zoning and adequate parking.

4. Funeral processions.

**Application Process**

The City Secretary’s Office will route all applications to the appropriate City departments for approval and/or recommendations concerning approval or denial of the application. The applicant will be notified of approval/disapproval within ten (10) business days. If an application is denied, for any reason, the applicant may appeal the denial to the City Manager.

Any application that does not include all of the required information (i.e. proof of insurance, maps, etc…) will be denied.

**Event Application and Fees**

An Event application fee of $25.00 shall be paid when the application is submitted to the City Secretary’s Office for processing. This fee shall be non-refundable.

An Event fee of $100.00 shall be due and payable to the City at least ten (10) days prior to the scheduled event.

All event fees will be charged on a per gathering basis. If approved, the permit (provided by the City) must be on site at all times during the event.

**Special Event Application and Fees**

A Special Event application fee of $50.00 shall be paid when the application is submitted to the City Secretary’s office for processing. This fee shall be non-refundable.
The minimum amount to be charged for a Special Event will be $2,000.00. The City shall provide the applicant with a cost estimate upon approval/disapproval of the application. The applicant will be invoiced for all applicable services and other expenses after all event costs have been accounted for. An invoice for event costs in excess of $2,000.00 will be due and payable to the City within thirty (30) days after the date the City sends the invoice to the applicant.

All special event fees will be charged on a per gathering basis. If approved, the permit (provided by the City) must be on site at all times during the event.

Cancellation Policy

Notice of cancellation must be made in writing at least fifteen (15) working days in advance of the event reservation date. Please mail written notice to: City of Brenham, P.O. Box 1059, Brenham, TX 77834 Attention: City Secretary’s Office. Notices may also be faxed to 979-337-7568. Notification date will be effective on the date that the City Secretary’s Office receives the mailed or faxed notice.

Street Closings

City street closing fees are included in the event fees noted above. If street closings are requested on city roadways the closure must be approved by the City Council and proper notification provided to TxDOT. The City Secretary’s Office will take care of requesting City Council approval and TxDOT notification, when required.

Solid Waste Service

A solid waste fee for the City is included in the event fees noted above. Any additional solid waste service (i.e. dumpsters and/or roll-off containers) will be the responsibility of the applicant.

Food, Beverage and Alcohol Permits

If food, beverage and/or alcohol are requested for the event, the applicant will need to contact the City Secretary’s Office at 979-337-7375 or the City of Brenham’s Health Inspector at 979-337-7216 to determine if additional permits and fees will be required.

Portable Toilet Facilities

The City of Brenham does not provide portable toilet facilities. It is the responsibility of the applicant to supply portable toilets (or restrooms) at a rate of 1 per 150 persons, including at least one (1) portable toilet that meets ADA requirements.
**Security**

Event security will be required to the extent determined appropriate by the City of Brenham Police Chief. After the event permit is evaluated by the Police Chief, or his designee, additional fees may be required. The applicant will be advised of any additional fees prior to the application being approved.

**Insurance**

Insurance is required for all special events. The City reserves the right to review and determine amount of coverage required based on the planned activities at the special event. The amount of general liability insurance required is:

- General Liability with minimum limits of $1,000,000 Combined Single Limit for personal injury, death, property damage

All events will be required to have $1,000,000 liquor liability insurance if alcohol is being sold or served. Host liquor liability insurance will satisfy this requirement if alcohol is only being served.

All insurance policies shall name the City of Brenham, its officials, employees, agents and volunteers as an additional insured and a copy of the Certificate of Insurance must be submitted to the City Secretary’s Office at least ten (10) working days prior to the event. Failure to provide required insurance will result in cancellation of the event. The City of Brenham will not waive insurance requirements.

**Area Notification of Impacted Neighbors**

The applicant shall notify all residents and businesses abutting the portion of the street to be closed. Notification may be accomplished by distributing flyers throughout the neighborhood, placing information sheets in residents’ mail boxes, publication of notification in the local newspaper, and/or radio advertising. The applicant shall provide the City Secretary’s office with proof of notification at least ten (10) days prior to the scheduled event.

Under certain circumstances where events may generate extremely large crowds, loud noise or parking issues, the City may require additional notifications/signatures/outreach to impacted neighbors.

Subject: Work Session For Capital Building Projects
Date: March 30, 2015

We have scheduled a work session Thursday to discuss our two pending building projects – library renovation and expansion as well as the new animal shelter. We can also discuss the related action item to consider passing a reimbursement resolution regarding these projects. That resolution allows you to award bids on the two projects and gives you the opportunity to obtain additional financing later to complete the projects. Carolyn’s agenda form provides a further explanation of the reimbursement resolution tool.

The City’s directors overseeing these two capital building projects, Wende Ragonis, our Community Services Director and Rex Phelps, our Police Chief have provided you updated memoranda explain the bids and the status of funding. Chief Financial Officer Carolyn and her team have prepared a financial recap of both building projects. Wende and Rex have included them as attachments in the work session packet.

We added this work session update to the agenda since there is more to these projects than just the consideration of bid award later in the meeting. The work session gives us the opportunity to address the entire project as well as recap our funding sources for the work.

The reimbursement resolution needs to be considered first in the action items on regular session later in the meeting. Adopting the resolution gives you the option to secure additional financing later to complete the project. You can make the decision later to cover a portion of the shortfall from cash reserves. If you have any questions about the mechanics of the reimbursement resolution or the financial recap for each of the projects Carolyn can answer those questions.

Kyle has worked closes with both Rex and Wende on the building projects sitting in on the technical review meetings with the two different architects. Kyle and Rex also met on several occasions during the value engineering process on the shelter project.
The staff can respond to your questions at the meeting Thursday but you are always welcomed to contact them prior to the meeting as well. As with all work sessions, no action is contemplated at this stage of the meeting.

When we get to the shelter agenda item, we will need you to take up a motion to bring this item off the table since it was tabled before. The library bid is appearing on your agenda for the first time.
This past several weeks city staff, the project architect and the construction low bidder have been diligently working to value engineer this project. The actual construction bids were significantly higher than the projected or estimated costs.

The **lowest construction bid was presented at $2,960,000** with potential alternate costs of an additional $120,000. Unfortunately, this exceeds what we have been able to secure to this point to pay for the construction costs.

In short, we had secured approximately $1,900,000. This number breaks down to the City Council's agreement to provide $1,000,000. The Animal Shelter Task Force and our community members have raised the additional $900,000 dollars. Donors who have already given a significant amount have committed to giving another $210,000. **This will increase our amount raised thus far to $2.1 million.**

The original plan was to build a quality but practical facility that would meet all current state mandates and **triple our current sheltering capabilities.** This would not only give us the room we currently need but allow significant room for growth. The truth is that we could utilize almost double our current sheltering capability on occasion even in current times. There are times that we have no choice but to make room even when we would like to explore adoption opportunities.

The animal shelter task force made up of local citizens helped fundraise and donated significant funds themselves because of their commitment to build this needed animal shelter. The task force traveled and visited numerous new shelters to learn from others on what they would have done differently and learn from the successes of other new shelters. They worked hard and did a superb job on designing a facility that will provide a very healthy environment for both animals and people.
In the end, we were able to arrive at two viable options as it relates to cost cutting measures and still provide for the service requirements of a new shelter. Although, we were able to cut significant costs we simply were not able to value engineer this project to the point of the original projected costs.

Both of the options benefited from significant costs saving measures like moving to pitch roofs versus cantilever or radius trusses and utilizing hardiplank on the back and sides of the facility instead of brick veneer. We were able to save by using a split heating and cooling system and at the same time filter the air as needed to reduce odors that are inherent in an animal shelter. We were able to find significant costs savings regarding a standing seam (lock seam) metal roof option. The sally port was cut from the project on both options. The dumpster pad was removed from both options due to the ability to utilize the police department’s dumpster. We changed to painted epoxy floors in the areas within the facility that will experience less high pressure cleaning but left the epoxy base floor in the kennel areas where the cleaning will be high pressure and more frequent.

There were many other smaller items value engineered that were vetted through staff, task force members, the architect and the construction company. These items are too numerous to list but they are items like changing finishes on sinks, fixtures, acceptable insulation adjustments, more affordable appliance packages, etc.

I will now describe the proposed two options. They will be labeled as option #1A and option #1B. *Both of these options include any and all alternate costs associated with the construction portion of the project, so there will be more of a VE savings than reflected below when you take the alternates from the original bid into account.

Option #1A will have the same square footage as the original bid minus the sally port area. This option will enable the shelter to still have three times the sheltering capability as the current facility. This option reflects all the costs savings explained in the paragraph above and allows for maximum room to grow related to the original design. This VE option is $260,995 less than lowest bid.

- The construction costs of **Option #1A** is estimated as **$2,699,055**

Option #1B has the largest reduction in square footage. Both the sally port and the middle kennel run area or corridor has been deleted. The square footage reduction along with the above value engineering cost savings are within this option. In this scenario we will be limited to doubling our sheltering capabilities of the current facility. This will leave us some room to grow. However, we at times can utilize this much space even in the present time frame. If this option is preferred the building will be designed to add the middle kennel corridor in the future. If this option is chosen there will be an additional re-design fee of approximately $12,000. This VE option is $439,079 less than the lowest bid.

- The construction costs of **Option #1B** is estimated as **$2,520,921**
In an effort to be as transparent and informative as possible there are other costs outside of construction that is true with any project such as architectural fees, IT fiber and cabling, additional phones, computers, etc. I have broken down those costs as follows.

- Architectural Fee (6%) $161,941 (1A) vs. $151,255 (1B)
- Architectural Revisions $12,000 only for (1B)
- IT Cabling (Ethernet, Fiber, etc.) $10,353
- Additional Phones, PC’s, Kiosk $9,930
- Surveillance Cameras $3,957
- Electronic Access Control $6,000

It will be staff’s recommendation to the Mayor and City Council to award the bid to Collier Construction with change order option #1A.

The time frame placed on the bid acceptance is almost completed so the Mayor and Council will need to act on the bid award in some fashion. Of course we understand there will have to be a discussion on how we finance the remaining funds needed and will respectfully respect the Mayor’s and City Council's decision on either option.

MEMORANDUM

TO: Terry K. Roberts
FROM: Wende Ragonis
SUBJECT: Library Modernization Library Final Cost Estimates
DATE: March 30, 2015

The modernization of the Nancy Carol Roberts Memorial Library facility is ready to begin pending the approval of Council. Purchasing staff has received a favorable base bid for the asbestos abatement, demolition and construction of the facility, and IT and Engineering staff have tallied the projected costs for tasks which are outside of the general contractor’s base bid of $3,083,000. A comprehensive projected budget is attached to this memo which was developed by the City’s Finance team. This budget documents the total proceeds currently on hand of $3,151,420 with possible additional bond proceeds of $438,000 to cover the following costs above the Base Bid amount:

(FFE) at an estimated cost of $450,000 and Audio Visual and Technology equipment at an estimated cost of $100,000. These items can be funded through a fundraising campaign which will be led by the Library Advisory Board or could be funded through a capital lease. The cost of $10,000 to landscape and install irrigation will be included in the FY16 budget process as will the moving expense of $12,000.

The Library Advisory Board (LAB) at their March 11, 2015 meeting asked staff to engage a local marketing firm to design fundraising campaign materials for the NCRML modernization project. The LAB will hold a special meeting April 8, 2015 to discuss the details of this fundraising campaign.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Bid No. 15-005 for the Purchase of Refuse Bags for the Sanitation Department and Bin Liners for the Parks Department and Authorize the Mayor to Execute Any Necessary Documentation.

SUMMARY STATEMENT: On March 3, 2015 bids were opened for the purchase of refuse bags and bin liners for various departments. There were 11 bids sent out with 6 bids received. Since two different products were bid we broke them out separately on the bid packet and indicated that each item could be awarded independently.

Central Poly was the low bidder on the 12,500 refuse bags at $6.70/roll and provides the best value and product to the City of Brenham. We have used Central Poly in the past and they have provided a very durable bag that meets our minimum bid standards and has proven to hold up to the conditions in which we use them. In 2014, this bid was awarded to Houston Poly bag for $6.52/roll. We have budgeted $90,000 in the 2014-15 budget for this purchase and these amounts fall under that budget by $6,250.

The bin liners are a product that we have added to the bid and have previously quoted them out as we needed them. These bags are used in the parks system and downtown area on a weekly basis for the larger trash bins. On this item we have decided to award the bid based off of “best value” of the product rather than lowest bid. Based on the bid tabulation Interboro was the apparent low bidder but once we evaluated the bids we noticed that several of the sample bags did not meet minimum specifications and we did not feel that they would give us the best quality product based off of our usage. We are recommending awarding the bid to All American Poly whose bid was $20.52 per carton. This is an 18% reduction in price compared to the bags that we currently receive quotes on.

We respectfully ask council to approve these bids and award the refuse bags to Central Poly and the bin liners to All American Poly in relation to the bid.

STAFF ANALYSIS (For Ordinances or Regular Agenda Items):

A. PROS: Quality bags by both Central Poly and All American Poly. Saves money on both products compared to budget.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Bid/Job No. 1006.087-WG/WH for 2015 Water Distribution System Improvements and Authorize the Mayor to Execute Any Necessary Documentation.

SUMMARY STATEMENT: On March 3, 2015 bids were opened by O’Malley Strand Associates, Inc. and City of Brenham staff for the 2015 water distribution system improvements. Each year we include $400,000 in our budget to replace as many feet of AC water lines as possible in areas where we are having numerous leaks. In order to maximize footage, we take a base bid and an alternate bid. This year, the base bid and the alternate would put us approximately $20,000 over our budget. We are recommending a change order of ($32,345.00) to reduce footage and bring the project back within budget. The bid included the installation of approximately 4,400 linear feet of 6” C-900 PVC to replace existing AC water lines, related appurtenances, and street repair. Deductive Change Order No. 1 will remove approximately 380 linear feet of replacement and related services, etc. Replacement work will be done on the following streets:

- LJ – 1,110 ft – All of LJ Street
- Shepard – 730 ft – Robinhood to Deadend
- Carolyn – 400 ft – Shepard to LJ
- Janet – 740 ft – Shepard to LJ
- Jefferson – 1,100 ft – LJ west to Munz

Change Order No. 1 deducted the cost of replacing the lines on S. Hillside Drive to keep the project within budget.

City Staff would like to recommend that Council award the Base Bid, the Additive Alternate Bid A, and Deductive Change Order No. 1 to Mercer Construction Co. in the amount of $347,575.00. This would give us an approximate contingency of $12,000 on the project. We are not recommending award of Deductive Bid C. This deduction would have removed the hot mix portion of the pavement repair and it would be accomplished in-house. The bid for the hot mix came in at a very reasonable and cost effective price and we do not recommend removing it from the project.

**STAFF ANALYSIS (For Ordinances or Regular Agenda Items):**

The low bidder, Mercer Construction Company, is qualified and experienced in this type of work. Therefore, based upon review of the above bids, we recommend award to the lowest bidder, Mercer Construction Company of Edna, Texas, for their Base Bid A plus Additive Alternate Bid A minus Concurrent Change Order No. 1 (attached) for a total contract amount
of $347,575.00. Concurrent Change Order No. 1 deducts South Hillside Drive from the project to keep the project within budget.

AGENDA ITEM DESCRIPTION: Discuss and Possibly act Upon an Ordinance on Its First Reading Amending Chapter 12, Health and Sanitation, Article III, Junked Vehicles, of the Code of Ordinances of the City of Brenham

SUMMARY STATEMENT: Texas state law changed the inspection and registration sticker requirement from having a sticker for both on the front windshield of a vehicle to having a single sticker with both the inspection and registration on one sticker for the front windshield.

Because of this staff removed Section 12-23, (1) b for local ordinance which requires “A valid motor vehicle inspection certificate”. This wording has been removed and wording requiring a current license plate has been added.

There were some other amendments staff is proposing to clean up some other areas at the same time which include:
- A definition of a lawful aircraft and watercraft and the notification process the city must go through if the aircraft and watercraft are not lawful.
- Changes to the notification process

ARTICLE III. JUNKED VEHICLES

Sec. 12-23. - Definitions.

_Junked vehicle_ means a vehicle motor vehicle, aircraft, or watercraft as defined in the Texas Transportation Code, Section 683.071, as amended, that:

(1) Is self-propelled; and is
   a. An unexpired license plate; and Wrecked, dismantled or partially dismantled, or discarded; or
   b. A valid motor vehicle inspection certificate; and Inoperable and has remained inoperable for more than:
      1. 72 consecutive hours, if the vehicle is on public property; or
      2. 30 consecutive days, if the vehicle is on private property;
   and
   c. Wrecked, dismantled or partially dismantled, or discarded; or Displays an expired license plate or does not display a license plate; or

(2) Inoperable and has remained inoperable for more than:
   An aircraft that does not have lawfully printed on the aircraft an unexpired federal aircraft identification number registered under Federal Aviation Administration aircraft registration regulations in 14 C.F.R. Part 47; or
   1. Seventy-two (72) consecutive hours, if the vehicle is on public property; or
   2. Thirty (30) consecutive days, if the vehicle is on private property.

(3) A watercraft that:
   1. Does not have lawfully on board an unexpired certificate of number; and
   2. Is not a watercraft described by Section 31.055, Parks and Wildlife Code.

Sec. 12-27. - Notice of hearing.

(a) If it is determined by the officer that a nuisance, as defined herein, exists in the city, the officer shall give notice or cause notice to be given in writing. The notice shall state:
the nature of the public nuisance; that the nuisance must be removed and abated within ten (10) days; and further that a request for a hearing must be made within ten (10) days of receipt of the notice. The notice must be personally delivered, mailed, sent by certified or registered mail, with a five-day return requested, or delivered by the United States Postal Service with signature confirmation service to:
   1. The last known registered owner of the nuisance;
   2. Each lienholder of record of the nuisance; and
   3. The owner or occupant of:
      a. The property on which the nuisance is located; or
      b. If the nuisance is located on a public right-of-way, the property adjacent to the right-of-way.
(b) The notice must state that:
   (1) The nuisance must be abated and removed not later than the tenth day after the date on which the notice was mailed or personally delivered; and
   (2) Any request for a hearing must be made before that ten-day period expires.

(c) If the post office address of the last known registered owner of the nuisance is unknown, notice may be placed on the nuisance, or if the owner is located, personally delivered.

(d) If notice is returned undelivered, action to abate the nuisance shall be continued to a date not earlier than the eleventh day after the date of the return.

(e) A public hearing must be held, prior to the removal of the vehicle or the part thereof as a public nuisance, before a municipal court judge, when such hearing is requested by the owner or occupant of the premises on which said vehicle is located, not earlier than the eleventh day after service of notice to abate the nuisance. At a hearing, the junked motor vehicle is presumed, unless demonstrated otherwise by the owner, to be inoperative. If the information is available at the location of the nuisance, a resolution or order requiring removal of the nuisance must include the vehicles:
   (1) Description;
   (2) Vehicle identification number; and
   (3) License plate number; or
For an aircraft, the aircraft’s:
   (1) Description; and
   (2) Federal Aircraft identification number as described by Federal Aviation Administration aircraft registration regulations in 14 C.F.R. Part 47; or
For a watercraft, the watercraft’s:
   (1) Description; and
   (2) Identification number as set forth in the watercraft’s certificate of number.

(f) If, after written notice has been given, as described in this section 12-27, and continuing through the hearing, the owner relocates the junked vehicle, or a part thereof, to another location in the City of Brenham, Texas or in Washington County, the relocation has no effect on the hearing if the vehicle, or a part thereof, constitutes a public nuisance at the new location.
ORDINANCE NO. ______________

AN ORDINANCE OF THE CITY OF BRENHAM, TEXAS AMENDING CHAPTER 12, HEALTH AND SANITATION, ARTICLE III, JUNKED VEHICLES, OF THE CODE OF ORDINANCES OF THE CITY OF BRENHAM, TEXAS TO AMEND THE DEFINITION OF JUNKED VEHICLE AND NOTICE OF HEARING REQUIREMENTS; PROVIDING FOR A REPEALER AND SAVINGS CLAUSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR AN EFFECTIVE DATE; AND PROVIDING FOR PROPER NOTICE AND OPEN MEETINGS

WHEREAS, pursuant to Texas Local Government Code, Section 51.001, the City has the authority to adopt ordinances and regulations that are for good government, peace and order of the City; and

WHEREAS, the City Charter of the City of Brenham authorizes the City regulate the health and sanitation within the City; and

WHEREAS, the City Council finds that the regulation of health and sanitation in the City will promote the general welfare, health and safety of the citizens of the City by the enactment of this Ordinance; and

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BRENHAM, TEXAS, THAT:

SECTION 1.

Chapter 12, Health and Sanitation, Sec. 12-23, Definitions, of the Code of Ordinances of the City of Brenham, Texas, is hereby amended to read as follows:

_Junked vehicle_ means a motor vehicle, aircraft, or watercraft as defined in the Texas Transportation Code, Section 683.071, as amended, that:

(1) Is self-propelled and is:
   a. Wrecked, dismantled or partially dismantled, or discarded; or
   b. Inoperable and has remained inoperable for more than:
      (1) 72 consecutive hours, if the vehicle is on public property; or
      (2) 30 consecutive days, if the vehicle is on private property;
      and
   c. Displays an expired license plate or does not display a license plate.
(2) An aircraft that does not have lawfully printed on the aircraft an unexpired federal aircraft identification number registered under Federal Aviation Administration aircraft registration regulations in 14 C.F.R. Part 47.

(3) A watercraft that:
   a. Does not have lawfully on board an unexpired certificate of number; and
   b. Is not a watercraft described by Section 31.055, Parks and Wildlife Code.

SECTION 2.

Chapter 12, Health and Sanitation, Sec. 12-27, Notice of hearing, of the Code of Ordinances of the City of Brenham, Texas, is hereby amended to read as follows:

(a) If it is determined by the officer that a nuisance, as defined herein, exists in the city, the officer shall give notice or cause notice to be given in writing. The notice shall state: the nature of the public nuisance; that the nuisance must be removed and abated within ten (10) days; and further that a request for a hearing must be made within ten (10) days of receipt of the notice. The notice must be personally delivered, sent by certified mail, with a five-day return requested, or delivered by the United States Postal Service with signature confirmation service to:

   (1) The last known registered owner of the nuisance;
   (2) Each lienholder of record of the nuisance; and
   (3) The owner or occupant of:
       a. The property on which the nuisance is located; or
       b. If the nuisance is located on a public right-of-way, the property adjacent to the right-of-way.

SECTION 3.

Chapter 12, Health and Sanitation, Sec. 12-27, Notice of hearing, of the Code of Ordinances of the City of Brenham, Texas, is hereby amended to read as follows:

(e) A public hearing must be held, prior to the removal of the vehicle or the part thereof as a public nuisance, before a municipal court judge, when such hearing is requested by the owner or occupant of the premises on which said vehicle is located, not earlier than the eleventh day after service of notice to abate the nuisance. At a hearing, the junked motor vehicle is presumed, unless demonstrated otherwise by the owner, to be inoperable. If the information is available at the location of the nuisance, a resolution or order requiring removal of the nuisance must include the vehicles:

   (1) Description;
   (2) Vehicle identification number; and
(3) License plate number; or

For an aircraft, the aircraft’s:
(1) Description; and
(2) Federal Aircraft identification number as described by Federal Aviation Administration aircraft registration regulations in 14 C.F.R. Part 47; or

For a watercraft, the watercraft’s:
(1) Description; and
(2) Identification number as set forth in the watercraft’s certificate of number.

SECTION 4.
SAVINGS CLAUSE

All provisions of any ordinance, resolution or other action of the City in conflict with this Ordinance are hereby repealed to the extent they are in conflict. Any remaining portions of said ordinances, resolutions or other actions shall remain in full force and effect.

SECTION 5.
SEVERABILITY

Should any section, subsection, sentence, clause or phrase of this Ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Ordinance shall remain in full force and effect. The City Council hereby declares that it would have passed this Ordinance, and each section, subsection, sentences and clauses and phrases remaining should any provision be declared unconstitutional or invalid.

SECTION 6.
REPEALER

Any other ordinance or parts of ordinances in conflict with this Ordinance are hereby expressly repealed.

SECTION 7.
EFFECTIVE DATE

This Ordinance shall become effective upon adoption and publication as required by law.
SECTION 8.
PROPER NOTICE AND MEETINGS

It is hereby officially found and determined that the meetings at which this Ordinance was passed were open to the public as required and that public notice of the time, place and purpose of said meetings were given as required by the Open Meetings Act, Chapter 551 of the Texas Government Code.

PASSED and APPROVED on its first reading this the ____ day of ________________, 2015.

AGENDA ITEM 11

DATE OF MEETING: April 2, 2015

SUBMITTED BY: Carolyn D. Miller

MEETING TYPE: REGULAR
CLASSIFICATION: RESOLUTION
ORDINANCE: 1ST READING

SUMMARY STATEMENT: In reviewing the work session item for the construction of a new animal shelter and the expansion/renovation of the City library, the possibility of issuing additional certificates of obligation was discussed. A summary of the amount required is shown below:

Why are we evaluating and discussing the possibility of issuing additional debt today? The Animal Shelter bid timeline is fast approaching the 60 days when the bids are no longer valid. We opened the Animal Shelter bids on February 12, 2015 and unfortunately the bids expire on April 13, 2015.

If Council decides to award the bid today, we will need to decide how to fund the overage before that action can occur. The Reimbursement Resolution is on this agenda to get Council’s feedback in order to keep our timeline of approving or rejecting the Animal Shelter bids before they expire.

Although a decision is needed today on the Reimbursement Resolution, the issuance of debt would not have to occur until later in FY15 or early in calendar 2016. The City has sufficient funds to begin the project, but in order for Council to award the bid, we need to decide if Council wants to issue additional debt to complete these capital projects. This Reimbursement Resolution would allow the City of Brenham to declare reimbursement of certain costs related to the construction and equipping of the animal shelter and expanded/renovated library from the issuance of Certificates of Obligation.

Please note that Council has taken similar action in October 2013 with approval of Reimbursement Resolution No. #R-13-014 for the reimbursement of the acquisition of firefighting and rescue equipment. We issued a PO to the vendor in October 2013 to avoid a price increase, but the Certificates of Obligation were not issued until May 2014.
**STAFF ANALYSIS (For Ordinances or Regular Agenda Items):**

**A. PROS:** Provide resources necessary to award bids for Animal Shelter and City Library and provide funding for these capital projects.

**B. CONS:** Funding is not adequate to award bids for Animal Shelter or City Library and Animal Shelter bids expire.

**ALTERNATIVES (In Suggested Order of Staff Preference):**

**ATTACHMENTS:** (1) Resolution No. R-15-011

**FUNDING SOURCE (Where Applicable):** 2015/2016 Certificates of Obligation

**RECOMMENDED ACTION:** Approval of Resolution No. R-15-011 expressing official intent to reimburse certain costs related to construction of a new animal shelter and the expansion/renovation of the City library

**APPROVALS:** Terry K. Roberts
RESOLUTION NO. R-15-011

A RESOLUTION OF THE CITY OF BRENHAM, TEXAS EXPRESSING OFFICIAL INTENT TO REIMBURSE CERTAIN COSTS RELATED TO THE CONSTRUCTION OF A NEW ANIMAL SHELTER AND THE EXPANSION/RENOVATION OF THE CITY LIBRARY

WHEREAS, the City of Brenham, Texas (the "City") is a political subdivision of the State of Texas; and

WHEREAS, the City expects to pay, or have paid on its behalf, expenditures in connection with the projects on Exhibit "A" hereto (the "Projects") prior to the issuance of tax-exempt obligations for which a prior expression of intent to finance or refinance is required by Federal or state law (collectively and individually, the “Obligations”) to finance the Projects; and

WHEREAS, the City finds, considers, and declares that the reimbursement for the payment of such expenditures will be appropriate and consistent with the lawful objectives of the City and, as such, chooses to declare its intention to reimburse itself for such payments at such time as it issues Obligations to finance the Projects;

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BRENHAM, TEXAS THAT:

Section 1: The City reasonably expects to incur debt, as one or more series of Obligations, with an aggregate maximum principal amount equal to $1,260,000 for the purpose of paying the costs of the Projects.

Section 2: All costs to be reimbursed pursuant hereto will be capital expenditures. No Obligations will be issued by the City in furtherance of this Resolution after a date which is later than 18 months after the later of (1) the date the expenditures are paid or (2) the date on which the property, with respect to which such expenditures were made, is placed in service.

Section 3: The foregoing notwithstanding, no Obligation will be issued pursuant to this Resolution more than three years after the date any expenditure which is to be reimbursed is paid.

Section 4: This Resolution shall be effective immediately upon its passage and approval.

PASSED AND APPROVED this 2nd day of April, 2015.

Milton Y. Tate, Jr., Mayor

Jeana Bellinger, TRMC, City Secretary
Exhibit "A"

Project Description

The construction and equipping of a new animal shelter and the expansion, renovation and equipping of the City library and also including any legal, engineering, fiscal and other fees relating thereto.
AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Bid No. 15-003 for the Construction of the City of Brenham’s Pet Adoption and Animal Care Facility and Authorize the Mayor to Execute Any Necessary Documentation

SUMMARY STATEMENT: The city has recently accepted bids to construct the new shelter. The original intent was to build health conscious facility to serve the community for many years by tripling the sheltering capabilities. All the bids were significantly over the estimated projections. Staff and the architect have engaged in numerous meetings with the low bidder, Collier Construction in an attempt to value engineer the project. We have made every effort to cut costs without jeopardizing the serviceability needs of the project. The city staff, architectural firm and the construction company has worked to give the Mayor and City Council two value engineered options. Option #1A has very little square footage reduction with significant value engineering cuts to bring the construction costs to $2,699,005 (this option maintains the ability to triple current sheltering capabilities). Option #1B has a much more significant square footage reduction that does impact sheltering capabilities with virtually the same value engineering cuts to bring the construction costs to $2,520,921 (this option limits the sheltering capabilities to double current capacity). The only real difference between the two options comes down to square footage cuts and how it impacts room for future growth. It should be noted, both options maintain the integrity of the original commitment of the animal shelter task force to issues like quality kennels, odor control, noise control, air cleanliness, anti-microbial surfaces, etc.

STAFF ANALYSIS (For Ordinances or Regular Agenda Items):

A. PROS: This project has been extensively evaluated to cut any unnecessary costs without compromising serviceability needs. Awarding the bid ensures that our city and county will continue to benefit from the service of both animal control and an animal shelter.

B. CONS: Costs

ALTERNATIVES (In Suggested Order of Staff Preference): Option #1A and #1B as described above and in all the attachments.
**ATTACHMENTS:** (1) Bid Tabulations; and (2) Change orders 001A and 001B

**FUNDING SOURCE (Where Applicable):** Public funding and private donations

**RECOMMENDED ACTION:** Award Bid No. 15-003 for the construction of the City of Brenham’s Pet Adoption and Animal Care Facility, including Change Order No. 001A, to Collier Construction Company in the amount of $2,699,005 and authorize the Mayor to execute any necessary documentation.

### AGENDA ITEM DESCRIPTION:
Discuss and Possibly Act Upon Bid No. 15-006 for the Construction and Rehabilitation of the Nancy Carol Roberts Memorial Library and Authorize the Mayor to Execute Any Necessary Documentation.

### SUMMARY STATEMENT:
Purchasing Services opened bids for the NCRML modernization project March 23, 2014. Three bids were received and the bid tabulation is attached. Once opened these bids were sent via overnight mail to the City’s architect, Komatsu Architecture, for their review. Staff also reviewed the bids in detail and the recommendation of staff and the Komatsu team is for an award to be offered to the lowest bidder, Collier Construction. I have attached a letter from Komatsu Architecture to support this recommendation. Collier has completed 25 libraries and library renovations including public libraries for the City of LaGrange, City of Trinity and Sam Houston State University.

Bid No. 15-006 requested bids for two alternate structures in additional to the Base Bid. Staff recommends that Council awards the base bid of $3,083,000 and Alternate One (1) for an Outdoor Reading Room in the amount of $25,000 to Collier Construction.

RE: City of Brenham  
Library Facility Modernization

Dear Wende,

We have reviewed the bid information that you forwarded to us and have checked references on the low bidder, Collier Construction. We questioned references stated in their bid package and a few that were not indicated.

Our investigation indicates previous clients have been pleased with the personnel and quality of construction provided by Collier Construction.

Based on this information and the fact that Collier Construction was the low bidder, we see no reason to disqualify Collier Construction from award of this project.

Sincerely,

Amy R. Sibley  
Vice President, Director of Interior Design

CITY OF BRENHAM
EVENT POLICY
(Effective April 2, 2015)

ALL COMPLETED APPLICATIONS SHALL BE SUBMITTED TO THE CITY SECRETARY’S OFFICE FOR PROCESSING. PLEASE NOTE THAT THE ACCEPTANCE OF YOUR APPLICATION BY THE CITY SECRETARY SHOULD IN NO WAY BE CONSTRUED AS APPROVAL OR CONFIRMATION OF YOUR EVENT.

Definitions

Event – shall mean an event to be held within the City of Brenham that is of limited duration, and is likely to attract 100 or more attendees and shall include, without limitation, exhibitions, automobile races, sporting events, festivals, air shows, carnivals, circuses, revivals, tent sales, concerts, parades, runs, walks, races, or motorcades.

Special Event – shall mean an event to be held within the City of Brenham that requires closure of state roadways for longer than four (4) hours, electrical service, and/or special equipment or services to be provided by the City.

Street Closing Event – any activity, including but not limited to events, which require the closing of any public street, sidewalk or alley and which require rerouting of normal or usual traffic flow.

Parade – any march or procession consisting of people, animals, or vehicles or a combination thereof, except funeral processions, upon any public street, sidewalk, alley, park or other outdoor places owned or under control of the City.

Run – any event that is considered a walk, run, or race consisting of people upon any public street, sidewalk or alley.

Gathering- describes a single event per day conducted or held by an organization; each gathering will be applied its own fee based. One organization may choose to hold more than one gathering during a 2-3 day period but each gathering will be treated separately.
**Exemptions**

The following may be conducted within the City of Brenham without a permit:

1. Events, Street Closing Events, Parades, Runs, Walks, Races, Special Events, or Motorcades hosted, conducted or sponsored by the City of Brenham shall not require a permit, but notice of the event shall be given to the Police Department, Fire Department, Public Works Department, Public Utilities and Development Services Department.

2. Private parties held on residential private property and to which the public is not invited and where there are not more than 100 guests.

3. An event wholly contained on property specifically designed or suited for the event and which has an appropriate certificate of occupancy, appropriate zoning and adequate parking.

4. Funeral processions.

**Application Process**

The City Secretary’s Office will route all applications to the appropriate City departments for approval and/or recommendations concerning approval or denial of the application. The applicant will be notified of approval/disapproval within ten (10) business days. If an application is denied, for any reason, the applicant may appeal the denial to the City Manager.

Any application that does not include all of the required information (i.e. proof of insurance, maps, etc…) will be denied.

**Event Application and Fees**

An Event application fee of $25.00 shall be paid when the application is submitted to the City Secretary’s Office for processing. This fee shall be non-refundable.

An Event fee of $100.00 shall be due and payable to the City at least ten (10) days prior to the scheduled event.

All event fees will be charged on a per gathering basis. If approved, the permit (provided by the City) must be on site at all times during the event.

**Special Event Application and Fees**

A Special Event application fee of $50.00 shall be paid when the application is submitted to the City Secretary’s office for processing. This fee shall be non-refundable.
The minimum amount to be charged for a Special Event will be $2,000.00. The City shall provide the applicant with a cost estimate upon approval/disapproval of the application. The applicant will be invoiced for all applicable services and other expenses after all event costs have been accounted for. An invoice for event costs in excess of $2,000.00 will be due and payable to the City within thirty (30) days after the date the City sends the invoice to the applicant.

All special event fees will be charged on a per gathering basis. If approved, the permit (provided by the City) must be on site at all times during the event.

**Cancellation Policy**

Notice of cancellation must be made in writing at least fifteen (15) working days in advance of the event reservation date. Please mail written notice to: City of Brenham, P.O. Box 1059, Brenham, TX 77834 Attention: City Secretary’s Office. Notices may also be faxed to 979-337-7568. Notification date will be effective on the date that the City Secretary’s Office receives the mailed or faxed notice.

**Street Closings**

City street closing fees are included in the event fees noted above. If street closings are requested on state roadways the closure must be approved by the City Council and proper notification provided to TxDOT. The City Secretary’s Office will take care of requesting City Council approval and TxDOT notification, when required.

**Solid Waste Service**

A solid waste fee for the City is included in the event fees noted above. Any additional solid waste service (i.e. dumpsters and/or roll-off containers) will be the responsibility of the applicant.

**Food, Beverage and Alcohol Permits**

If food, beverage and/or alcohol are requested for the event, the applicant will need to contact the City Secretary’s Office at 979-337-7375 or the City of Brenham’s Health Inspector at 979-337-7216 to determine if additional permits and fees will be required.

**Portable Toilet Facilities**

The City of Brenham does not provide portable toilet facilities. It is the responsibility of the applicant to supply portable toilets (or restrooms) at a rate of 1 per 150 persons, including at least one (1) portable toilet that meets ADA requirements.
Security

Event security will be required to the extent determined appropriate by the City of Brenham Police Chief. After the event permit is evaluated by the Police Chief, or his designee, additional fees may be required. The applicant will be advised of any additional fees prior to the application being approved.

Insurance

Insurance is required for all special events. The City reserves the right to review and determine amount of coverage required based on the planned activities at the special event. The amount of general liability insurance required is:

- General Liability with minimum limits of $1,000,000 Combined Single Limit for personal injury, death, property damage

All events will be required to have $1,000,000 liquor liability insurance if alcohol is being sold or served. Host liquor liability insurance will satisfy this requirement if alcohol is only being served.

All insurance policies shall name the City of Brenham, its officials, employees, agents and volunteers as an additional insureds and a copy of the Certificate of Insurance must be submitted to the City Secretary’s Office at least ten (10) working days prior to the event. Failure to provide required insurance will result in cancellation of the event. The City of Brenham will not waive insurance requirements.

Area Notification of Impacted Neighbors

The applicant shall notify all residents and businesses abutting the portion of the street to be closed. Notification may be accomplished by distributing flyers throughout the neighborhood, placing information sheets in residents’ mail boxes, publication of notification in the local newspaper, and/or radio advertising. The applicant shall provide the City Secretary’s office with proof of notification at least ten (10) days prior to the scheduled event.

Under certain circumstances where events may generate extremely large crowds, loud noise or parking issues, the City may require additional notifications/signatures/outreach to impacted neighbors.
