MEMORANDUM

To: Mayor Tate and Brenham City Council  
From: Clint Kolby, EDF Project Manager  
Subject: Tax Phase-In Policy Re-Adoption for 2016-17  
Date: November 24, 2015

The Tax Phase-In Policy will expire at the end of 2015 and will need to be re-adopted for another two years. The EDF’s Incentives Review Committee (Committee) is recommending minor changes to the policy to be considered for re-adoption as approved by the EDF Board of Directors.

The tax phase-in incentive is a valuable tool to promote economic development in the community. It is a partial, temporary exemption from ad valorem taxes with the City of Brenham. Washington County has a mirror policy to promote the use of the tax phase-in incentive. Blinn College and Brenham ISD ad valorem taxes are paid in full at all times.

The Committee recommends that Section III (a) be changed to include a new Exhibit A that defines what a primary jobs employer is and the corresponding industry sectors that employ primary jobs. The new changes fall within the existing policy’s criteria of authorized facilities. However, the Committee feels that the new changes will make it easier for a business to determine if they would be eligible to apply for the tax phase-in incentive.

Also, the Committee recommends that Section III (c) be changed to increase the minimum average annual salary from $33,000 to $36,000, including benefits. This change will promote the creation or retention of quality jobs and help increase the average household income in the community.

Additionally, the Committee recommends in Section VIII (a) that the deadline for tax phase-in recipients to submit their sworn statement of compliance and verifying documents be June 30 of each year instead of October 15. This change will ensure that the Tax Phase-In Compliance Review Committee will have all of the necessary documents for verification before the Chief Appraiser certifies the tax rolls.

Finally, the Committee recommends deleting the definitions in the Glossary that pertain to Section III (a) regarding authorized facilities if the aforementioned change is made.

If you have any questions or comments, please do not hesitate to contact the EDF office at 979-836-8927 or clint@brenhamtexas.com.
RESOLUTION NO. __________

A RESOLUTION OF THE CITY OF BRENHAM, TEXAS RE-ADOPTING THE GUIDELINES AND CRITERIA FOR GRANTING TAX PHASE-IN IN A REINVESTMENT ZONE CREATED IN THE CITY OF BRENHAM

WHEREAS, the creation and retention of job opportunities that bring new wealth to the community is a high civic priority; and

WHEREAS, new jobs and investment will benefit the area economy, provide needed opportunities, strengthen the real estate market and generate tax revenue to support local services, and

WHEREAS, the communities with the City of Brenham must compete with other localities across the nation currently offering tax inducements to attract new plant and modernization projects; and

WHEREAS, any tax incentives offered in the City of Brenham would reduce needed tax revenue unless strictly limited in application to those new and existing industries that bring new wealth to the community, and

WHEREAS, any tax incentives should not affect the competitive position of existing companies operating in the City of Brenham; and

WHEREAS, the abatement of property taxes, when offered to attract primary jobs in industries which bring in money from outside a community instead of merely re-circulating dollars within a community, has been shown to be an effective method of enhancing and diversifying an area economy; and

WHEREAS, effective September 1, 1987, Texas law requires an eligible taxing jurisdiction to establish guidelines and criteria as to eligibility for tax abatement agreements prior to granting of any future tax abatement, said guidelines and criteria to be unchanged for a two-year period unless amended by a three-fourths vote of the participating governing body; and

WHEREAS, on December 5, 2013 Council passed Resolution No. R-13-020 re-adopting the guidelines and criteria for granting tax abatement in a reinvestment zone created in the city; and

WHEREAS, these guidelines and criteria shall not be construed as implying or suggesting that the City of Brenham is under any obligation to provide tax abatement or other incentive to any applicant and all applicants shall be considered on a case by case basis
NOW, THEREFORE, BE IT RESOLVED that the undersigned does hereby re-adopt the attached guidelines and criteria for granting tax abatement in reinvestment zones in the City of Brenham styled as “Policy Statement on Property Tax Phase-In Incentive for Selected Commercial Enterprises”, as amended and incorporated herein by reference and effective January 15, 2016

I. PURPOSE

The City of Brenham, hereinafter referred to as "the City," is committed to the promotion of high quality development in all parts of the community and to improving the quality of life for its citizens. In order to help meet these goals and to stimulate economic development, the City will consider providing incentives that include, but are not limited to, the property Tax Phase-In incentive, in accordance with the procedures, criteria and guidelines set forth in this Policy and as provided by Chapter 312 of the Texas Tax Code. Nothing in this Policy shall imply or suggest that the City is under any obligation to provide any incentives to any applicant. Each application for the Tax Phase-In incentive under this Policy shall be considered on an individual basis.

II. DEFINITION OF TAX PHASE-IN INCENTIVE

Tax Phase-In incentive, as referred to in this Policy, means the partial, temporary exemption from ad valorem taxes on certain qualifying property in a Reinvestment Zone designated by the City or County for economic development purposes. Only ad valorem (property) taxes are eligible for the incentive. Brenham ISD and Blinn College taxes are required to be paid in full at all times.

The attached Glossary is a list of words with their definitions that are found in this document, and the Glossary is incorporated herein by reference.

III. GUIDELINES AND CRITERIA

In order to be eligible for property Tax Phase-In incentive, the planned improvement at a minimum must:

(a) Be a facility used or to be used by a Primary Jobs Employer according to Exhibit A (except for a location in the Downtown Zone).

(b) The project must add new value to the tax roll of eligible property: a minimum of $300,000 for a business new to Brenham or $150,000 for an existing local business. For development in the Downtown Zone, a National Register Historic District, the added value must be a minimum of $50,000. This is to help maintain the economic viability of
the central business district.

(c) The applicant must maintain or create within the first year and throughout the Tax Phase-In incentive period a minimum of ten (10) jobs at an average salary of $36,000/year or higher, including any benefits (except for a location in the Downtown Zone).

In consideration of the request for the Tax Phase-In incentive, the following factors will also be considered:

(1) Jobs. The projected new jobs created including the number of jobs, the type of jobs and the average salary per job class.

(2) Fiscal Impact. The amount of real and personal property value that will be added to the tax roll for both eligible and ineligible property, the amount of direct sales tax that may be generated, any infrastructure improvements by the City that will be required by the facility, the infrastructure improvements made by the facility, and the compatibility of the project with the City's master plan for development.

(3) Valuation at Termination of Tax Phase-In Incentive Period. The estimated fair market value, valued at the end of incentive period, of any equipment included in the Tax Phase-In incentive. The economic life of the added-value property must exceed the duration of the granted Tax Phase-In incentive period.

(4) Community Impact.

The pollution, if any, as well as other negative environmental impacts affecting the health and safety of the community that will be created by the project;

The revitalization of a depressed area;

The business opportunities of existing local businesses;

The alternative development possibilities for proposed site;

The impact on other taxing entities;

Whether the improvement is expected to solely or primarily have the effect of transferring employment from one part of Washington County to another; and/or,

Whether the product manufactured or service provided by the business competes to a substantial degree with an existing business.

IV. TAX PHASE-IN INCENTIVE AUTHORIZED

(a) Authorized Date. A facility shall be eligible for the Tax Phase-In incentive if it has applied for the incentive prior to the commencement of construction and meets the guidelines and criteria under this Policy.

(b) Creation of New Value. Tax Phase-In incentive may only be granted for the additional value
of eligible property improvements made subsequent to the filing of an application for the Tax Phase-In incentive and specified in the Tax Phase-In incentive agreement between the City and the property owner and/or lessee, subject to such limitations as the guidelines and criteria may require.

(c) **New and Existing Facilities** Tax Phase-In incentive may be granted for new facilities and improvements and for the expansion or modernization of existing facilities and improvements. If the modernization project includes facility replacement, the Tax Phase-In incentive value shall be the tax-appraised value of the new unit(s) less the value of the old unit(s).

(d) **Eligible Property** Except as otherwise provided in this policy, the Tax Phase-In incentive may be extended to the value of buildings, structures, fixed machinery and equipment, site improvements plus that office space and related fixed improvements necessary or convenient to the operation and administration of the facility.

(e) **Ineligible Property** The following types of property shall be fully taxable and ineligible for property Tax Phase-In incentives:
    - land,
    - animals,
    - inventories,
    - supplies,
    - tools,
    - furnishings and other forms of movable personal property,
    - vehicles,
    - vessels,
    - aircraft,
    - housing or residential property (except for property owners in the Downtown Zone),
    - hotels/motels,
    - fauna,
    - flora,
    - retail facilities (except for property owners in the Downtown Zone),
    - deferred maintenance investments,
    - property to be rented or leased except as provided in Part IV (f),
    - improvements for the generation or transmission of electrical energy not wholly consumed by a new facility or expansion,
    - any improvements including those to produce, store or distribute natural gas or fluids that are not integral to the operation of the facility, or
    - property owned or used by the State of Texas or its political subdivisions or by any organization owned, operated or directed by a political subdivision of the State of Texas.

(f) **Owned/Leased Facilities** If a leased facility is granted the Tax Phase-In incentive, the agreement shall be executed with the lessor and the lessee and the new value investment shall be combined to calculate the total new value investment. If the lessee removes or reduces its new value investment to the detriment of the lessor, the lessor may annually elect to extend its Tax Phase-In incentive to obtain a replacement lessee. The lessor may obtain the full benefit of the remaining Tax Phase-In incentive period by resuming the Tax Phase-In incentive with the combined value of the replacement lessee by disregarding the Tax Phase-In incentive extension.
term. The lessor shall not receive any Tax Phase-In incentive during any year where a Tax Phase-In incentive extension has been elected. The Tax Phase-In incentive period, including any extensions, shall never exceed a total of ten years as provided by state law. The replacement lessee may apply for its own Tax Phase-In incentive based solely on its new value investment.

(g) Value and Term of Tax Phase-In incentive Tax Phase-In incentives shall commence with the January 1 valuation date immediately following the occupancy of the property qualifying for the Tax Phase-In incentive unless otherwise specified by the City. The value of new eligible properties shall be abated according to the approved agreement between applicant and the City. The City, in its sole discretion, shall determine the amount of any Tax Phase-In incentive. The table one Tax Phase-In incentive schedule - Exhibit "B", table three in a Downtown Zone (map Exhibit "C"), incorporated herein by reference, shall be the maximum Tax Phase-In incentive available based on total new value investment or added employment for each year during the Tax Phase-In incentive term, whichever is greater. The total amount of abatement shall be derived from the sum of table one and table two, unless located in a Downtown Zone, in which the total amount of abatement will be derived from table three. Tax Phase-In incentive in a Downtown Zone shall receive approval for building plans and specifications by the Main Street Board as a condition of receiving the Tax Phase-In incentive.

(h) Downtown Zone A Tax Phase-In incentive zone within the designated downtown area in the attached Exhibit C, incorporated herein by reference, and any tracts or parcels contiguous to a tract in Exhibit C, under common ownership.

(i) Taxability From the execution of the Tax Phase-In incentive contract to the end of the agreement period, taxes shall be payable as follows:

Such request shall include a complete description of the circumstances explaining why the applicant should be granted a variance. Approval of a request for variance requires a three-fourths (3/4) majority vote of the governing body of the City. The approval by the City of a Tax Phase-In incentive shall conclusively be deemed as an approval of any variance from the provisions of Subsections (a) through (e) of Part V.

(a) Should the City be able to show cause in the public hearing why the granting of a designation of an area as a Reinvestment Zone for the Tax Phase-In incentive will have a substantial adverse effect on its bonds, service capacity or the provision of service, that showing shall be reason for the City to deny the granting of the application.

(b) Neither a Reinvestment Zone nor a property Tax Phase-In incentive agreement shall be authorized if it is determined that:

1. There would be a substantial adverse affect on the provision of a government service or tax base of the City.
2. The applicant has insufficient financial capacity.
3. Planned or potential use of the property would constitute a hazard to public safety, health or morals.
4. Planned or potential use of the property violates governmental codes or laws.

(c) The City shall make its own determination of the property Tax Phase-In incentive which shall not bind any other jurisdiction.

VIII. ADMINISTRATION

Each Tax Phase-In incentive project will be monitored annually for compliance. The agreement will require the applicant to provide a sworn statement and documents verifying compliance each year. Failure to provide the required documents in the manner outlined herein shall result in termination of the Tax Phase-In incentive agreement.

The terms of the agreement shall include the right of the City to review and verify the applicant’s employment records and payroll records in each year during the term of the agreement, and to conduct an on-site inspection of the project in each year during the duration of the Tax Phase-In incentive, and to review such other items as may be reasonable to verify compliance with the terms of the agreement.

The agreement shall stipulate that employees and/or designated representatives of the City will have access to the Reinvestment Zone during the term of the Tax Phase-In incentive to inspect the facility to determine compliance with the terms and conditions of the agreement. All inspections will be made only after the giving of twenty-four (24) hours prior notice and will be conducted in such manner as to not unreasonably interfere with the construction and/or operation the facility. (b) The Chief Appraiser of the County shall annually determine an assessment of the real and personal property in the Reinvestment Zone. This shall be done on or before December 1 of each calendar year.
IX. RECAPTURE

Should the City determine that a company or individual is in default according to the terms and conditions of its agreement, the City shall notify the company or individual in writing at the address stated in the agreement, and if such default is not cured within thirty (30) days or begun to be cured (in the case of a default that cannot reasonably be cured within 30 days) from the date of such notice ("Cure Period"), then the agreement shall be terminated.

In the event that the company or individual:

1. allows its ad valorem taxes owed the City to become delinquent and fails to timely and properly follow the legal procedures for their protest and/or contest; or
2. does not create or maintain jobs as outlined in the agreement; or
3. violates any of the terms and conditions of the Tax Phase-In incentive agreement and fails to cure same during the Cure Period; or
4. if the facility is completed and begins producing product or service, but subsequently discontinues producing product or service for any reason excepting fire, explosion or other casualty or accident or natural disaster, for a period of more than one (1) year during the Tax Phase-In incentive period;

then the agreement shall terminate and so shall the Tax Phase-In incentive of taxes for the calendar year during which the agreement is terminated. The taxes otherwise abated for that calendar year shall be paid to the City within sixty (60) days from the date of termination, and all taxes previously abated by virtue of the agreement will be recaptured and paid within sixty (60) days of the termination. The City will use all available means for recapture, including but not limited to, placing a lien on the property and pursuing all other legal and equitable remedies available to the City.

X. ASSIGNMENT

(a) The Tax Phase-In incentive may be transferred and assigned by the holder to a new owner or lessee of the same facility upon the approval by resolution of the City, subject to the financial capacity of the assignee and provided that all conditions and obligations in the Tax Phase-In incentive agreement are guaranteed by the execution of a new contractual agreement with the City.

(b) The contractual agreement with the new owner or lessee shall not exceed the termination date of the Tax Phase-In incentive agreement with the original owner and/or lessee.

(c) No assignment or transfer shall be approved if the parties to the existing agreement, the
new owner or new lessee are liable to the City for outstanding taxes or other obligations.

(d) Approval shall not be unreasonably withheld.

XI. SUNSET PROVISION

(a) This policy is effective upon the date of the adoption and will remain in force for two (2) years, at which time all Reinvestment Zones and Tax Phase-In incentive contracts created pursuant to its provisions may be reviewed by the City to determine whether the goals have been achieved. Based on that review, this policy may be modified, renewed or eliminated, providing that such actions shall not affect existing contracts.

(b) This policy does not amend any existing Industrial District Contracts or agreements with the owners of real property in areas deserving of specific attention as agreed by the City.

**EXHIBIT C**

MAP OF DOWNTOWN ZONE
I. PURPOSE

The City of Brenham, hereinafter referred to as "the City," is committed to the promotion of high quality development in all parts of the community and to improving the quality of life for its citizens. In order to help meet these goals and to stimulate economic development, the City will consider providing incentives that include, but are not limited to, the property Tax Phase-In incentive, in accordance with the procedures, criteria and guidelines set forth in this Policy and as provided by Chapter 312 of the Texas Tax Code. Nothing in this Policy shall imply or suggest that the City is under any obligation to provide any incentives to any applicant. Each application for the Tax Phase-In incentive under this Policy shall be considered on an individual basis.

II. DEFINITION OF TAX PHASE-IN INCENTIVE

Tax Phase-In incentive, as referred to in this Policy, means the partial, temporary exemption from ad valorem taxes on certain qualifying property in a Reinvestment Zone designated by the City or County for economic development purposes. Only ad valorem (property) taxes are eligible for the incentive. Brenham ISD and Blinn College taxes are required to be paid in full at all times.

The attached Glossary is a list of words with their definitions that are found in this document, and the Glossary is incorporated herein by reference.

III. GUIDELINES AND CRITERIA

In order to be eligible for property Tax Phase-In incentive, the planned improvement at a minimum must:

(a) Be a facility used or to be used by a Primary Jobs Employer according to Exhibit A (except for a location in the Downtown Zone).

(b) The project must add new value to the tax roll of eligible property: a minimum of $300,000 for a business new to Brenham or $150,000 for an existing local business. For development in the Downtown Zone, a National Register Historic District, the added value must be a minimum of $50,000. This is to help maintain the economic viability of the central business district.

(c) The applicant must maintain or create within the first year and throughout the Tax Phase-In incentive period a minimum of ten (10) jobs at an average salary of $36,000/year or higher, including any benefits (except for a location in the Downtown Zone).

In consideration of the request for the Tax Phase-In incentive, the following factors will also be considered:

(1) Jobs. The projected new jobs created including the number of jobs, the type of jobs and the average salary per job class.
(2) **Fiscal Impact.** The amount of real and personal property value that will be added to the tax roll for both eligible and ineligible property, the amount of direct sales tax that may be generated, any infrastructure improvements by the City that will be required by the facility, the infrastructure improvements made by the facility, and the compatibility of the project with the City's master plan for development.

(3) **Valuation at Termination of Tax Phase-In Incentive Period.** The estimated fair market value, valued at the end of incentive period, of any equipment included in the Tax Phase-In incentive. The economic life of the added-value property must exceed the duration of the granted Tax Phase-In incentive period.

(4) **Community Impact**

   The pollution, if any, as well as other negative environmental impacts affecting the health and safety of the community that will be created by the project;

   The revitalization of a depressed area;

   The business opportunities of existing local businesses;

   The alternative development possibilities for proposed site; The impact on other taxing entities;

   Whether the improvement is expected to solely or primarily have the effect of transferring employment from one part of Washington County to another; and/or,

   Whether the product manufactured or service provided by the business competes to a substantial degree with an existing business.

**IV. TAX PHASE-IN INCENTIVE AUTHORIZED**

(a) **Authorized Date.** A facility shall be eligible for the Tax Phase-In incentive if it has applied for the incentive prior to the commencement of construction and meets the guidelines and criteria under this Policy.

(b) **Creation of New Value.** Tax Phase-In incentive may only be granted for the additional value of eligible property improvements made subsequent to the filing of an application for the Tax Phase-In incentive and specified in the Tax Phase-In incentive agreement between the City and the property owner and/or lessee, subject to such limitations as the guidelines and criteria may require.

(c) **New and Existing Facilities.** Tax Phase-In incentive may be granted for new facilities and improvements and for the expansion or modernization of existing facilities and improvements. If the modernization project includes facility replacement, the Tax Phase-In incentive value shall be the tax-appraised value of the new unit(s) less the value of the old unit(s).

(d) **Eligible Property.** Except as otherwise provided in this policy, the Tax Phase-In incentive may be extended to the value of buildings, structures, fixed machinery and equipment, site improvements plus that office space and related fixed improvements necessary or convenient to the operation and administration of the facility.
(c) Ineligible Property. The following types of property shall be fully taxable and ineligible for property Tax Phase-In incentives:
land, animals, inventories, supplies, tools,
furnishings and other forms of movable personal property, vehicles,
vessels,
aircraft,
housing or residential property (except for property owners in the Downtown Zone),
hotels/motels,
fauna, flora,
retail facilities (except for property owners in the Downtown Zone),
defered maintenance investments,
property to be rented or leased except as provided in Part IV (f),
improvements for the generation or transmission of electrical energy not wholly consumed by a new facility or expansion,
any improvements including those to produce, store or distribute natural gas or fluids that are not integral to the operation of the facility, or property owned or used by the State of Texas or its political subdivisions or by any organization owned, operated or directed by a political subdivision of the State of Texas.

(f) Owned/Leased Facilities. If a leased facility is granted the Tax Phase-In incentive, the agreement shall be executed with the lessor and the lessee and the new value investment shall be combined to calculate the total new value investment. If the lessee removes or reduces its new value investment to the detriment of the lessor, the lessor may annually elect to extend its Tax Phase-In incentive to obtain a replacement lessee. The lessor may obtain the full benefit of the remaining Tax Phase-In incentive period by resuming the Tax Phase-In incentive with the combined value of the replacement lessee by disregarding the Tax Phase-In incentive extension term. The lessor shall not receive any Tax Phase-In incentive during any year where a Tax Phase-In incentive extension has been elected. The Tax Phase-In incentive period, including any extensions, shall never exceed a total of ten years as provided by state law. The replacement lessee may apply for its own Tax Phase-In incentive based solely on its new value investment.

(g) Value and Term of Tax Phase-In incentive. Tax Phase-In incentives shall commence with the January 1 valuation date immediately following the occupancy of the property qualifying for the Tax Phase-In incentive unless otherwise specified by the City. The value of new eligible properties shall be abated according to the approved agreement between applicant and the City. The City, in its sole discretion, shall determine the amount of any Tax Phase-In incentive. The table one Tax Phase-In incentive schedule - Exhibit "B", table three in a Downtown Zone (map Exhibit "C"), incorporated herein by reference, shall be the maximum Tax Phase-In incentive available based on total new value investment or added employment for each year during the Tax Phase-In incentive term, whichever is greater. The total amount of abatement shall be derived from the sum of table one and table two, unless located in a Downtown Zone, in which the total amount of abatement will be derived from table three. Tax Phase-In incentive in a Downtown Zone shall receive approval for building plans and specifications by the Main Street Board as a condition of receiving the Tax Phase-In incentive.

(h) Downtown Zone. A Tax Phase-In incentive zone within the designated downtown area in the attached Exhibit C, incorporated herein by reference, and any tracts or parcels contiguous to a tract in Exhibit C under common ownership.
(i) Taxability. From the execution of the Tax Phase-In incentive contract to the end of the agreement period, taxes shall be payable as follows:

1. The value of ineligible property as provided in Part IV (e) shall be fully taxable.
2. The base year value of existing eligible property as determined each year shall be fully taxable.
3. The additional value of new eligible property shall be taxable in the manner described in Part IV (g).

(c) Upon receipt of a completed application, the City Manager shall notify the Mayor and City Council. Before acting upon the application, the City may conduct an Economic Impact Study. Following this step, the City shall afford the applicant and any other interested persons the opportunity to speak and present evidence for or against the designation of the area as a Reinvestment Zone for the purpose of the Tax Phase-In incentive during a public hearing. Notice of the public hearing shall be clearly identified on an agenda of the City to be posted as required by law. At least seven (7) days before the date of the hearing, notice of the hearing must be 1) published in a newspaper having general circulation in the City; and 2) delivered in writing to the presiding officer of the governing body of each taxing entity having in its boundaries real property that is to be included in the proposed Reinvestment Zone.

Such request shall include a complete description of the circumstances explaining why the applicant should be granted a variance. Approval of a request for variance requires a three-fourths (3/4) majority vote of the governing body of the City. The approval by the City of a Tax Phase-In incentive shall conclusively be deemed as an approval of any variance from the provisions of Subsections (a) through (e) of Part V.

VI. PUBLIC HEARING

(a) Should the City be able to show cause in the public hearing why the granting of a designation of an area as a Reinvestment Zone for the Tax Phase-In incentive will have a substantial adverse effect on its bonds, service capacity or the provision of service, that showing shall be reason for the City to deny the granting of the application.

(b) Neither a Reinvestment Zone nor a property Tax Phase-In incentive agreement shall be authorized if it is determined that:

(1) There would be a substantial adverse effect on the provision of a government service or tax base of the City.

(2) The applicant has insufficient financial capacity

(3) Planned or potential use of the property would constitute a hazard to public safety, health or morals.

(4) Planned or potential use of the property violates governmental codes or laws.

VII. AGREEMENT

(a) After approval of the application for the designation of an area as a Reinvestment Zone for the property Tax Phase-In incentive, the City shall formally pass a resolution and execute an agreement with the owner of the facility and the lessee involved, if any, which shall include:

(1) Estimated value to be abated and the base year value.

(2) Percent of value to be abated each year as provided in Part IV (g).

The agreement shall stipulate that employees and/or designated representatives of the City will have access to the Reinvestment Zone during the term of the Tax Phase-In incentive to inspect the facility to determine compliance with the terms and conditions of the agreement. The City will use all available means for recapture, including but not limited to, placing a lien on the property and pursuing all other legal and equitable remedies available to the City.
X. ASSIGNMENT

(a) The Tax Phase-In incentive may be transferred and assigned by the holder to a new owner or lessee of the same facility upon the approval by resolution of the City, subject to the financial capacity of the assignee and provided that all conditions and obligations in the Tax Phase-In incentive agreement are guaranteed by the execution of a new contractual agreement with the City.

(b) The contractual agreement with the new owner or lessee shall not exceed the termination date of the Tax Phase-In incentive agreement with the original owner and/or lessee.

**SUMMARY STATEMENT:** The Criminal Justice Division of the Governor’s Office announced a Body-Worn Camera Grant program on Oct. 26, 2015. The program offers funding to aid municipal police departments in establishing or enhancing body-worn camera (BWC) programs. The monies allocated can be used for the purchase of body cameras and digital storage systems. The Department did purchase 35 body cameras earlier this year and budgeted for a server. If we are awarded grant funding, we would purchase the server and 10 more body cameras and reallocate the budgeted funds. We are requesting $22,000 through the grant program which requires a 25% match so our share would be $5,500.

**STAFF ANALYSIS (For Ordinances or Regular Agenda Items):**

Grant funding will allow the Department to purchase the necessary digital storage server as well as additional body cameras and accessories.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Bid No. 16-002 for the Purchase of a 53 Foot Aluminum Refuse Trailer and Authorize the Mayor to Execute Any Necessary Documentation.

SUMMARY STATEMENT: On November 17, 2015 the Purchasing Dept. opened bids for the purchase of an aluminum refuse trailer. The bids were as follows:

<tr>
<td>Travis Body &amp; Trailer (Houston, TX)</td>

</table>

Bids were sent to 4 manufactures with one bid received. As seen above Travis Body and Trailer was the only bid received and met all bid specifications. Travis Body and Trailer did receive the bid in 2011 and 2013 for 53’ refuse trailers. In 2013 there was one other bid but Travis was the low bid at $65,070.

During the 2015-16 budget process a total of $68,000 was budgeted for this trailer. By purchasing this trailer it will replace unit #90 which is a 2004 Star refuse trailer. This trailer is our oldest and last steel trailer in fleet. These trailers are used 6 days a week and transport over 20+ tons of waste on each trip to the landfill. The transfer station averages 4 trips per day to the landfill with other trailers being loaded throughout the day.

By buying this trailer it will maintain our fleet at 6 transport trailer and 3 trucks. Over the last year we have seen our volumes increased approximately 1000 tons than the prior year. As of 2011, we now transport all waste that enters both the Collection Station and Transfer Station.

STAFF ANALYSIS (For Ordinances or Regular Agenda Items):

A. PROS: Replace an old trailer that has served its life expectancy. Right at budget number.

B. CONS: Only one bid received.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Bid No. 16-003 for the Purchase and Installation of a 40-Ton HVAC Unit for City Hall and Authorize the Mayor to Execute Any Necessary Documentation

SUMMARY STATEMENT: On November 10, 2015 bids were opened for the purchase and installation of a 40 ton HVAC unit for City Hall. There were 8 bids sent out with 5 bids received. The lowest bidder was Lakeway Air Conditioning at $48,710.00. (See Bid Tabulation)

This unit is a direct replacement for the 2003 Carrier HVAC Unit that controls the 1st Floor East Wing of City Hall where Utility Billing is located. This replacement was budgeted for in the 2014-15 budget at a cost of $45,000. We have had numerous issues with this unit that pertains to the condenser coils falling apart, unit is operating on only one compressor, fan motor overamping, and high head pressure. This unit is approaching 13 years old.

We would like to get this unit ordered to make sure that the work can be completed well before summertime. Lakeway has stated that upon receiving the purchase authorization the delivery will be approximately 120 days. This will put the installation on or around April 1st just in time for summer’s arrival.

This unit along with the remaining units have been part of our continuous 5 year capital planning process. We will now have replaced 4 of the 6 units on City Hall. Two remaining units are a 20 Ton unit and a smaller 10 ton unit.

When the installation occurs, the front entrance of City Hall will be shut down and all patrons will be directed to use the Court entrance. Installation is not expected to last more than one day.

STAFF ANALYSIS (For Ordinances or Regular Agenda Items):
A. PROS: Replacing another unit with a more efficient and reliable unit.
B. CONS: Slightly over the budget amount of $45,000.

**AGENDA ITEM DESCRIPTION:**
Discuss and Possibly Act Upon the Formation and Organization of a Non-Profit Corporation Benefitting Community Projects and Programs of the City of Brenham

**SUMMARY STATEMENT:** During the August 27, 2015 Council meeting, staff presented the opportunity to develop a 501(c)(3) non-profit charitable entity. A 501(c)(3) entity would provide a process for the City of Brenham to receive, accept, hold, invest, reinvest or administer gifts, grants or bequests of money or property of any sort or nature to be used to actively promote community projects and programs which preserve, foster and enhance the economic and social well-being of the community of Brenham. Monies in the 501(c)(3) would add quality, substance and meaning to community living and nurture a healthy, vigorous and progressive environment in which to live and work. This funding could be offered for cultural, educational, recreational, civic and/or public improvement programs and projects. As discussed at the August 27th work session, the City Attorney has drafted by-laws and other necessary documentation for the creation of the 501(c)(3) entity. This documentation is attached and presented for your consideration and review.

ARTICLE ELEVEN

The power to adopt, alter, amend or repeal the Bylaws of the Corporation and the power to amend or restate this Certificate of Formation shall be vested exclusively in its Board of Directors.

ARTICLE TWELVE

The Corporation shall indemnify any person who was, is, or is threatened to be made a named defendant or respondent in a proceeding (as hereinafter defined) because the person (i) is or was a director or officer of the Corporation or (ii) while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise, to the fullest extent that a corporation may grant indemnification to a director under the Texas Business Organizations Code, as the same exists or may hereafter be amended. Such right shall be a contract right and shall include the right to be paid by the Corporation expenses incurred in defending any such proceeding in advance of its final disposition to the maximum extent permitted under the Texas Business Organizations Code, as the same exists or may hereafter be amended. If a
claim for indemnification or advancement of expenses hereunder is not paid in full by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall be entitled to also be paid the expenses of prosecuting such claim. It shall be a defense to any such action that such indemnification or advancement of costs of defense is not permitted under the Texas Business Organizations Code, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors or any committee thereof or special legal counsel) to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor an actual determination by the Corporation (including its Board of Directors or any committee thereof or special legal counsel) that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of such person’s heirs, executors, administrators and personal representatives. The rights conferred above shall not be exclusive of any other right that any person may have or hereafter acquire under any statute, bylaw, resolution of the directors, agreement or otherwise. The Corporation may additionally indemnify any person covered by the grant of mandatory indemnification contained in this Article to such further extent as is permitted by law and may indemnify any other person to the fullest extent permitted by law. The Corporation may purchase and maintain insurance or a similar arrangement (including, but not limited to, a trust fund, self-insurance, a security interest or lien on the assets of the Corporation, or a letter of credit, guaranty or surety arrangement) on behalf of any person who is serving the Corporation (or another entity at the request of the Corporation) against any liability asserted against such person and incurred by such person in such a capacity or arising out of status as such a person, whether or not the Corporation would have the power to indemnify such person against that liability under this Article or by statute. Notwithstanding the other provisions of this Article, the Corporation may not indemnify or maintain insurance or a similar arrangement on behalf of any person if such indemnification or maintenance of insurance or similar arrangement would subject the Corporation to income tax under the Code or subject any such person to excise tax under the Code. For purposes of this Article, the term “expenses” includes court costs and attorney’s fees, and the term “proceeding” means any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative or investigative, any appeal in such action, suit or proceeding, and any inquiry or investigation that could lead to such an action, suit, or proceeding.
ARTICLE THIRTEEN

A director of the Corporation shall not be personally liable to the Corporation for monetary damages for any act or omission in such director's capacity as a director, except that this Article does not authorize the elimination or limitation of the liability of a director to the extent the director is found liable for: (i) a breach of the director's duty of loyalty to the Corporation; (ii) an act or omission not in good faith that constitutes a breach of the duty of the director to the Corporation or an act or omission that involves intentional misconduct or a knowing violation of the law; (iii) a transaction from which the director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office; or (iv) an act or omission for which the liability of a director is expressly provided by an applicable statute. The foregoing elimination of liability to the Corporation shall not be deemed exclusive of any other rights, limitations of liability or indemnity to which a director may be entitled under any other provision of the Certificate of Formation or Bylaws of the Corporation, contract or agreement, vote of directors, principle of law or otherwise. Any repeal or amendment of this Article shall be prospective only, and shall not adversely affect any limitation on the personal liability of a director of the Corporation existing at the time of such repeal or amendment. In addition to the circumstances in which a director of the Corporation is not personally liable as set forth in the foregoing provisions of this Article, the liability of a director shall be eliminated to the full extent permitted by any amendment to the Texas Business Organizations Code hereafter enacted that further eliminates or permits the elimination of the liability of a director. To the extent permitted by applicable law, the foregoing limitation of liability set forth in this Article shall extend to the Corporation's officers.

ARTICLE FOURTEEN

Any action required or permitted to be taken at any meeting of director or committee members may be taken without a meeting and without a vote, if a consent or consents in writing setting forth the action so taken shall be signed by a sufficient number of directors or committee members, as the case may be, as would be necessary to take that action at a meeting at which all persons entitled to vote on the action were present and voted. Prompt notice of the taking of any action by directors or a committee without a meeting by less than unanimous written consent shall be given to those directors or committee members who did not consent in writing to the action.

Section 2.3. Election and Term of Office. The initial directors shall be those persons named and designated as such in the Certificate of Formation of the Corporation. Directors may serve an unlimited number of consecutive terms. To the extent possible, the terms of the directors shall be staggered, and one-third (1/3) of the directors shall be elected each year. Subject: City, BCDC, and EDF Economic Development Agreement

Date: November 24, 2015

The Economic Development Foundation (EDF) has been this community's lead agency for economic development recruitment and retention for more than 60 years. Their emphasis has been almost exclusively directed at industrial development. Retail has not been their focus.

The EDF believes that retail recruitment should now receive greater emphasis than in the past while still continuing their work in industrial recruitment and retention. The EDF has expressed a willingness to add that responsibility to their job description.

We have been working for the past year on updating the City's contract with the EDF. It has not been updated since 1999.

Because the funding for the administrative work of EDF's operation comes exclusively from BCDC funds, the City Attorney believes the comprehensive update to that agreement should become a tri-party agreement (City, BCDC and EDF) rather than just an agreement between the City and EDF.

A working group of seven met several times during the past year to develop and recommend a new economic development services agreement. That group included BCDC Chairman Charles Moser and two BCDC members (Bill Betts and Atwood Kenjura), EDF Chairman Billy Holle and two other EDF officers (Matt Bentke and Gary Weiss) and Mayor Milton Tate.
City, BCDC and EDF Economic Development Services Agreement
November 24, 2015

This group drafted the agreement update under a working title of the Greater Brenham Economic Development Alliance to reflect having representation from all three entities: City, BCDC and EDF. The Alliance is recommending that the working group remain intact to meet periodically during the year in a consultative and advisory role but with a slightly expanded membership.

The Alliance would expand from the seven positions that worked on the updated agreement to 11 members. That would include the five officers of the EDF, the BCDC Chairman and two members chosen by the Chairman, the Mayor and two Councilmembers chosen by the Mayor. There would not be a formal executive committee of the Alliance but the Mayor, BCDC Chairman and EDF Chairman may meet from time to time to coordinate specific future agenda topics for the periodic Alliance meetings.

Section I of the agreement outlines the role of the Alliance and the types of activities in which the Alliance members would be involved. It includes a preliminary budget review prior to adoption by the full EDF Board and approval by the BCDC Board. Other responsibilities include input on any possible changes to the administrative staffing structure of EDF, incentives, land acquisition, review of work plans and possibly hosting an annual economic development summit.

Section 2 provides a more detail job description of the work of the EDF than was outlined in the 1999 agreement. It requires that EDF prepare an annual strategic economic development work plan for both industrial and retail development by April 1 of each year.

Section 3 also establishes April 1st each year as the anniversary date of the economic development services agreement. It automatically renews each year on that date unless any of the three parties gives 90 day written notice of termination.

The EDF approved the agreement on November 10th and the BCDC approved it on November 17th. The recommended document is being presented to City Council in December.

The document in your packet is the one that was circulated to the other entities and that was approved by the EDF and BCDC earlier this month. The staff has found a few minor wording changes to be considered that are not substantive. The EDF and BCDC approved the attached document but authorized the Chairman to approve minor wording changes if need be. We’d recommend the same for the Mayor and City Council as well.

If you have questions or comments, please let me know.

8) EDF will be the primary party responsible for evaluating and assisting prospects with applying for municipal, county, state and federal incentive programs.

9) On or before April 1 each year, EDF will prepare an annual strategic economic development work plan and propose related projects to enable the City and the BCDC to reach potential prospects, customers, clients and target markets for both industrial and retail clients. Payment to the EDF shall be made on a pro rata basis on or about the first day of each calendar month in the City’s and the BCDC’s fiscal year. The City or the BCDC may withhold these funds only upon a written notice of termination of this Agreement or upon a major program modification as determined by the City or the BCDC, in their sole discretion. Funds provided by the City and the BCDC to the EDF pursuant to this Agreement that are not expended by the EDF shall be returned annually to the City and/or the BCDC within thirty (30) days after the end of the City’s and/or BCDC’s fiscal year.

EDF shall maintain complete and accurate financial information of the expenditure of funds pursuant to this Agreement and shall allow inspection of said records by the City or the BCDC upon its request.

III.

This Agreement may also be terminated in whole or in part in the event of any party substantially failing to fulfill its obligations under this Agreement. No such termination will be effective unless the non-performing party is given: 1) written notice of intent to terminate and setting forth the reasons specifying the non-performance; and 2) not less than thirty (30) calendar days to cure the failure.

Upon termination of this Agreement, the City and the BCDC shall pay EDF for all services rendered and expenses incurred prior to the effective date of termination. Should the City or the BCDC subsequently contract with a different person or entity for economic development services, EDF shall cooperate in providing information to the City or the BCDC. EDF shall turn

To: Mayor and City Council
From: Terry K. Roberts, City Manager
Subject: Collection Station ILA With Minor Adjustments
Date: November 24, 2015

We are ready to proceed with the adoption of the Collection Station ILA with Washington County. We postponed passage of the document at your last meeting because there was further clarification needed regarding the County’s help at the annual spring cleanup for city and county residents.

The County Judge and I discussed the relatively minor changes to the document sought by the County Attorney and are in agreement the document is ready for Council’s and Commissioners Court’s consideration. The minor wording changes are reflected in the document in your packet.

The County’s requested changes do not adversely impact the City’s position in the agreement so staff is fine with incorporating them in the document.

This new agreement does not envision the City and County negotiating fees for service. There is a brush rate for service for County government operations. We will be charging the County (and us) for brush services as well as the citizens.

We are informing them of any rate changes before the start of their budget process in the spring. Since it the City’s business plan to set rates for collection station operations sufficient to recover the cost of its operation there is not a need to address potential operating losses.

We plan to establish collection station rates at a level to recover all of our costs including a City and County free spring clean-up period each year. The County plans to continue to provide labor assistance for both weeks of the cleanup with either supervised jail inmates or supervised community service workers.

All new rates are scheduled for implementation January 1, 2016.
INTERLOCAL AGREEMENT BETWEEN
THE CITY OF BRENHAM AND WASHINGTON COUNTY
FOR SANITATION SERVICES AT THE
CITIZENS’ COLLECTION STATION

WHEREAS, this Interlocal Agreement ("Agreement") is entered into by and between the City of Brenham, a Home-Rule Municipality located in Washington County, Texas, hereinafter referred to as “City” and Washington County, Texas, a political subdivision of the State of Texas, hereinafter referred to as “County”; and

WHEREAS, the City and County each hereby find that it would be mutually advantageous for the County to use the City’s Citizens’ Collection Station, hereinafter referred to as “Station”, in the manner established in this Agreement; and

WHEREAS, the Interlocal Agreement between the City and County dated September 2, 1999 is hereby repealed in its entirety and replaced with this Agreement in order to promote clarity and ease of understanding; and

WHEREAS, the Station is a business unit within the City’s Sanitation Department with certain operational and capital costs that are funded by the citizens’ use of the Station; and

WHEREAS, the disposal of non-compactible waste and brush are two of the services provided at the Station; and

WHEREAS, the rates for Station services, including but not limited to the disposal of non-compactible waste and brush, shall be adopted by Ordinance of the Brenham City Council; and

WHEREAS, City and County are authorized to enter into this Agreement in all respects as provided in Chapter 791 of the Texas Local Government Code; and;

NOW, THEREFORE, in consideration of the mutual covenants expressed in this Agreement, the receipt and sufficiency of which are hereby acknowledged, the City and the County agree as follows:

1.0 Services

1.01 The City agrees to the following:

a. To operate, staff, and maintain the Station; and

b. To establish collection station rates that cover all the costs associated with the operation and maintenance of the Station, including but not limited to any capital equipment needs, and provide for adequate reserve funds for the facility; and
c. Notify the County in writing of any rate changes on or before May 1, to allow the County sufficient time to plan for the rate changes in the County’s budget process; and

d. To host an annual three-day “Spring Clean-Up” event, during alternating weeks, open to all City and County residents at no cost.

1.02 The County agrees to the following:

a. To pay the City for the disposal of any non-compacitable waste or brush delivered to the Station by County departments or work crews in accordance with the provisions of this Agreement; and

b. To provide jail inmates or other community service workers, if available, as requested by the City, to assist the City at the Station for both the City and County annual three-day “Spring Clean-Up” events.

2.0 Purpose

The purpose of this Agreement is to make non-compacitable waste and brush collection services available to all City and County residents.

3.0 Breach

The failure of either party to comply with the terms and conditions of this Agreement shall constitute a breach of this Agreement. If either Party commits a breach in the performance of any obligation or covenant herein, the non-breaching party may enforce the performance of this Agreement in any manner provided by law. This Agreement may be terminated at the non-breaching Party’s discretion if such breach continues for a period of sixty (60) days after written notification of such breach and of the intention of the non-breaching Party to declare this Agreement terminated, provided, however, if the breach is not capable of being fully cured within sixty (60) days, the breaching Party shall be allowed the needed additional time to cure the breach if (i) the breach begins the cure within the sixty (60) day period, (ii) diligently pursues the cure thereafter until it is fully cured, and (iii) has been given advance written approval to proceed by the non-breaching Party. Such notice shall be sent by the non-breaching Party to the Party in breach. Subject: Advisory Board Recommendations for 2016
Date: November 25, 2015

Under the City’s policy for advisory board appointments, persons interested in serving must fill out an application of appointment. This includes current board members who are willing and interested in continuing their service.

According to the City’s policy, the Mayor and City Manager are to review the board appointments and offer a recommendation to the City Council. Our recommendations are shown below:

**Airport Advisory:** The three incumbents who are eligible for reappointment have expressed a willingness to stay on the board and are recommended for reappointment. They are Brent Nedbalek, Bryan Butler and Mark Whitehead.

**Board of Adjustment:** The two incumbents who are eligible for reappointment have expressed a willingness to stay on the board and are recommended for reappointment. They are MaLisa Hampton and Arlen Thielemann.

**Building Standards Commission:** The two incumbents who are eligible for reappointment have expressed a willingness to stay on the board and are recommended for reappointment. They are Jason Kiemsteadt and Lloyd Pieper.
Brenham Community Development Corporation: The four incumbents who are eligible for reappointment have expressed a willingness to stay on the board and are recommended for reappointment. They are Atwood Kenjura, Darrell Blum, David Cone and Charles Moser.

Brenham Housing Authority: The two incumbents who are eligible for reappointment have expressed a willingness to stay on the board and are recommended for reappointment. They are John Harris and Ray Dougbjerg.

Due to State Law, resident board members can only serve two-year terms; therefore Wanda Cooley is not eligible for reappointment. An application for the second tenant position is currently being sought. This tenant appointment position will be brought back to the Council at a later date.

Hotel Occupancy Tax Board: There are two City positions up for reappointment. The city positions are Jean Shoup and Tiffany Winkles. Both of these individuals will not seek reappointment. The term for Washington County’s representative, Bob Cottle, is expiring.

Library Advisory Board: The Fortnightly Club re-appointed incumbent member Alana Winklemann to the Board. The City’s appointments, Keith Herring and Meg Cone, have expressed a willingness to stay on the Board and are recommended for reappointment. The Council is also asked to confirm the Fortnightly appointments.

Planning and Zoning Commission: The incumbents have all expressed interest in continuing service on the Board and are recommended for reappointment: Charlie Pyle, Nancy Low and Deanna Alfred.

This packet includes a recap of each board and their members for your review. Main Street and Parks and Recreation Advisory Board recommendations will be brought back to Council at a later date. Staff is still working on filling some vacancies. If you have any questions, please contact the Mayor or me.
