A motion was made by Councilmember Goss and seconded by Councilmember Ebel to approve an Ordinance of the City of Brenham, Texas authorizing the issuance and sale of General Obligation Refunding Bonds, Series 2016.

Assistant City Manager – Chief Financial Officer Carolyn Miller presented this item. Miller explained the renewal of property and liability coverages with TML Intergovernmental Risk Pool for FY2016-17.

- **General Liability Coverage**
  Overall, liability rates for the coming year will change by about 1.7%, but the auto liability continues to experience greater than expected losses. The overall rate increase for auto liability is 5.9%.

- **Property Rates and Coverage Changes**
  Due to several significant weather events and the increase in losses, there is a 5% increase in property rates for the 2016/17 fund year.

  Effective October 1, 2016, the Pool will expand its cyber liability and data breach coverage. This coverage will be provided for no additional contribution.

- **Workers’ Compensation Rate Changes**
  For the current year, rates were increased for individual classification codes based on loss experience. The City received notification of our workers’ comp rates in early June, and the new rates have been included in the proposed FY16-17 personnel budget.

- **Impact to City of Brenham**
  Although liability, property, and workers’ compensation rates did increase across the Pool’s entire membership, the individual member contributions are affected not only by rates, but also the member’s loss experience (experience modifier) and/or changes in exposure. The overall budget impact is a decrease of over $51,826. Based on our renewal, the City will experience the following percent changes:
  - 22.25% decrease in general liability
  - 20.35% increase in property coverage
  - 16.86% decrease in workers’ compensation rates

  Miller stated that the increase in property coverage is due in part to an increase of over $10 million in new property added for FY2016-17.
A motion was made by Councilmember Barnes-Tilley and seconded by Mayor Pro Tem Nix to approve the renewal with Texas Municipal League Intergovernmental Risk Pool for General Liability, Law Enforcement Liability, Public Officials Liability, Mobile Equipment, Airport Liability, Property, Auto Liability and Physical Damage, Crime, Animal Mortality and Theft and Workers' Compensation coverage for the City of Brenham for Fiscal Year 2016-17 and authorize the Mayor to execute any necessary documentation.

12. **Discuss and Possibly Act Upon the Renewal of City of Brenham Group Health Plan with TML Multistate Intergovernmental Employee Benefits Pool and Establishment of Funding Rates for Calendar Year 2017 and Authorize the Mayor to Execute Any Necessary Documentation**

Assistant City Manager – Chief Financial Officer Carolyn Miller presented this item. Miller explained the renewal of fully-funded group medical plan with TML MultiState Intergovernmental Employee Benefits Pool and approval of funding rates for calendar year 2017. Miller advised that in developing the FY16-17 personnel budget, a key priority was holding the City’s portion of insurance costs at the current level. Miller noted this would be achieved by: (1) identifying changes to our group medical plan to mitigate any premium increases for the City; (2) continue the transition to equalize the City contribution for dependent coverage by shifting the cost share percentage from 70/30 to 65/35 (65% City and 35% employee); and (3) hopefully with plan changes, our employees would not be impacted by the shift in cost share for dependent premiums.

Miller explained that last year employees were facing a 3% increase in total premiums before any plan changes, and with plan modifications, employees experienced a 5% decrease. Miller advised that knowing that the City was facing a 4% increase in premiums, Staff asked TML IEBP for plan change options that could be considered this year to circumvent any increase; TML IEBP recommended increases in office visit co-pays and out of pocket costs for employees.

Miller stated that after careful review, Staff is recommending the adoption of the proposed group medical plan with a $35 office visit copay, $1,200 individual/$2,400 family deductible and $3,500 individual/$7,000 family out of pocket maximum plan effective January 1, 2017.
A motion was made by Mayor Pro Tem Nix and seconded by Councilmember Williams to approve the renewal for City of Brenham Group Health Plan with TML Multistate Intergovernmental Employee Benefits Pool, establish funding rates for calendar year 2017 and authorize the Mayor to execute any necessary documentation.
