REGULAR SESSION

5. Discuss and Possibly Act Upon an Ordinance on its First Reading Amending the FY2015-16 Adopted Budget

Assistant City Manager – Chief Financial Officer Carolyn Miller presented this item. Miller explained the highlights of the second and final amendment to the FY2015-16 budget included the following revenue increases: General Fund revenues for court fees, sales tax, property tax and phone line access fees all due to higher collections and interest income due to new investments; Sanitation Fund revenue due to a rate increase and increased loads; County HOT Fund revenue for an additional payment received; 2014 Capital Projects Fund revenue for various library grants; Police Grant Fund revenue for body camera grant proceeds; FEMA Disaster Relief Fund revenue for insurance reimbursements; Donations Fund revenue for additional contributions for Library and Animal Shelter projects; and Parks Capital Improvements Fund revenue for skate park grant proceeds.
Miller advised that the General Fund expenditures are being increased due to replacement light poles and fixtures at the Aquatic Center. Other expenditure increases included: additional maintenance and higher disposal costs for the Sanitation Fund, purchase of new Library furniture, Outdoor Reading Room and AV equipment for the Library, completion of the Library and Animal Shelter Capital Projects, Police department body cameras and storage equipment, FEMA eligible expenditures incurred from the April and May 2016 floods, and expenditures related to the expansion of the Skate Park. Miller stated that General Fund expenditures are being decreased in various departments due to line item savings. Miller noted these savings generated additional ABNR (Above Budget Net Revenues).

Miller advised that other budget amendment items included the following transfers between funds: transfer from the General Fund to 2014 Capital Projects Fund for the completion of the Animal Shelter and Library projects; City grant match from the General Fund to the Police Grant Fund; ABNR transfer from the General Fund to the Equipment Fund for FY17 capital needs; donations received in the Donations Fund transferred to the 2014 Capital Projects Fund; and the allocation of funds for the Fireman’s Park Restroom Upgrade from the BCDC Fund to the Parks Capital Improvements Fund. Miller stated that also included in the transfer section are the proceeds from the Library furniture loan.

A motion was made by Councilmember Herring and seconded by Councilmember Ebel to approve an Ordinance on its first reading amending the FY2015-16 adopted budget.

6. Discuss and Possibly Act Upon Change Order No. 003 for the Nancy Carol Roberts Memorial Library Expansion, Modernization and Renovation Project and Authorize the Mayor to Execute Any Necessary Documentation

Director of Community Services Wende Ragonis presented this item. Ragonis stated that Collier Construction was awarded Bid # 15-006 for the Construction and Rehabilitation of the Nancy Carol Roberts Memorial Library at the April 2, 2015 Council meeting. Ragonis explained that the total bid amount awarded to Collier Construction was $3,108,000, which included $25,000 for an outdoor reading room.

7. **Discuss and Possibly Act Upon a Lease Agreement Between the City of Brenham and Simon Theater Master Tenant, LLC for the Management and Operation of the Barnhill Center at the Historic Simon Theater and Authorize the Mayor to Execute Any Necessary Documentation**

Director of Community Services Wende Ragonis presented this item. Ragonis explained that in 2014, the Chairman of Brenham Main Street Historic Perseveration, Inc. (BMSHP) Hal Moorman spoke with Council at the June 5, 2014 Council meeting about the possible long term ownership and operation of the Barnhill Center at the Historic Simon Theater. Ragonis stated that this presentation initiated the City’s evaluation of the possible ownership and/or operation of the Barnhill Center. Ragonis advised that to lead the City’s evaluation efforts, a sub-committee of Council members including the Mayor was established. Ragonis explained that a Memo of Understanding (MOU) between the two organizations was executed May 4, 2016.

Ragonis advised that based upon much discussion and guidance from the Tourism and Promotion Sub-Committee of Council, staff and outside industry experts, the City of Brenham is prepared to operate the Barnhill Center at the Historic Simon Theatre as a conference and cultural arts destination. Ragonis explained that due to the complex nature of the State and Federal Tax Credit programs utilized in the multi-year restoration of the facility, the City of Brenham is not eligible to consider outright ownership of the facility until 2020. Ragonis advised that given this fact, it is the intent of BMSHP and the City of Brenham to enter into an agreement whereas the City of Brenham is the sole operator of the Barnhill Center facility. Ragonis stated that if approved by Council, this agreement will be effective from January 1, 2017 until September 30, 2017. Ragonis explained that during this nine (9) month term, the City will deliberately and thoroughly evaluate and consider the impact to City resources for operating this type of facility. Ragonis stated that at the end of the lease term, City staff should have a better understanding of resources required to adequately operate the facility as a conference center and cultural arts destination.
Councilmember Herring questioned the property currently being tax exempt and what would happen if the Washington County Appraisal District changed their interpretation of its use. City Attorney Cary Bovey stated that if there is a change, the City would be responsible for the tax. However, Bovey explained that since the City is a public entity and the building will be used for public use he does not think the City will have to pay taxes on the property. Bovey stated that he had spoken to Willy Dilworth, Chief Appraiser with the Washington County Appraisal District, and there does not appear to be an issue.

A motion was made by Councilmember Barnes-Tilley and seconded by Councilmember Goss to approve a lease agreement between the City of Brenham and Simon Theater Master Tenant, LLC for the Management and Operation of the Barnhill Center at the Historic Simon Theater and authorize the Mayor to execute any necessary documentation.

Mayor Tate called for a vote. The motion passed with Council voting as follows:

- Mayor Milton Y. Tate, Jr.     Yes

8. Discuss and Possibly Act Upon Resolution No. R-16-034 Adopting a New Fee Schedule for the City of Brenham’s Parks and Recreation Department

Director of Community Services Wende Ragonis presented this item. Ragonis stated that the City of Brenham publishes a Parks and Recreation Guide for visitors and residents as a reference for the City’s recreational community services offerings. Ragonis explained that while many of the Parks and Recreation amenities and programs are offered to the public at no cost, there are fees for services such as: facility rentals, admission to the BBAC, swim lessons and classes and other recreational programming. Ragonis noted that at the August 10, 2016 Parks Advisory Board meeting, staff reviewed the current Parks and Recreation rate schedule with the Board. Ragonis stated that the Blue Bell Aquatic staff presented modifications to the BBAC rates and those rates were discussed and approved by the Parks Advisory Board. Ragonis advised that if approved by Council, these rates will be published in the 2017 Parks and Recreation Guide.
A motion was made by Councilmember Herring and seconded by Councilmember Barnes-Tilley to approve Resolution No. R-16-034 adopting a new fee schedule for the City of Brenham’s Parks and Recreation Department.
