Smith advised that Mrs. Carrillo is a tenant of the building and has provided Staff with a letter from the property manager giving their permission to place the bounce house outside in the grassy area at the front of the center on a limited basis.

Smith noted that Staff’s recommendation to the Planning and Zoning Commission was to give approval to the applicant for a period of 30 days from the date of City Council approval, after which time the applicant would no longer be allowed to place the bounce house in front of the premise. Smith stated that the Planning and Zoning Commission recommended unanimous approval of their request with the condition that a 30 day time period be placed on the granting of the specific use permit after which time the specific use permit will expire. MEMORANDUM

To: Mayor, Council and City Manager

From: Carolyn D. Miller
Assistant City Manager - Chief Financial Officer

Subject: Public Hearing on Proposed 2016 Tax Rate

Date: August 12, 2016

Council Budget Workshops were held during the week of July 18, 2016 to present the proposed FY2016-17 Budget. In these workshops, the FY2016-17 proposed budget was finalized. The proposed budget is on the City’s website and on file with the City Secretary.

A property tax rate of $0.5070 per $100 valuation is proposed to fund the FY2016-17 Budget. Of this rate, $0.3150 will be for maintenance and operations (M&O). The balance of $0.1920 is for debt service (interest and sinking or I&S). Based on the certified taxable values of $1,198,049,873 the effective tax rate is $0.4710 and the rollback rate is $0.5132 per $100 valuation for the 2016 Tax Year.

The increase in property taxes will cover the addition of three new firefighters and provide resources for street paving.

In compliance with the Property Tax Code, a governing body must hold two public hearings to receive citizen comments on a proposed property tax rate. The governing body may not adopt the tax rate at either of these hearings. At each hearing, the governing body must announce the date, time, and place of the meeting at which it will vote on the tax rate. After receiving citizen comments, the following announcement should be made:

The first reading of the Ordinance to adopt the tax rate will be during a Special Council meeting on Monday, September 12, 2016 at 8:00 a.m. at City Hall, located at 200 W. Vulcan Street. The second reading of the Ordinance and adoption of the tax rate is scheduled for a Regular Council meeting on Thursday, September 15, 2016 at 1:00 p.m. at City Hall, located at 200 W. Vulcan Street.

Discuss and Possibly Act Upon an Ordinance on its First Reading Amending the FY2015-16 Adopted Budget

**SUMMARY STATEMENT:**
Highlights of the amendment to the FY2015-16 budget include the following revenue increases: General Fund revenues for insurance proceeds and Parks Capital Improvements Fund revenue for a donation received for a planned park development project, along with advertising revenue for Fireman's Park outfield wall signage.

General Fund expenditures are being increased due to expenses related to a state softball tournament and for unanticipated expenses from the repair of an airport runway light. Other expenditure increases include: additional materials for the Belle Towers drainage project, allocation of funds for the advertising and promotion for the Simon Conference Center, BCDC Fund payment to Economic Development Foundation for local match of grant, purchase of a replacement police vehicle in the Equipment Fund, and Parks Capital Improvement Fund expenditures related to a planned park development project connecting Fireman's Park and the Nancy Carol Roberts Memorial Library. Expenditures are being decreased in the City Hotel Occupancy Tax Fund due to the transfer of contingency funds to the General Fund for the state softball tournament.

Other budget amendment items include the following transfers between funds: insurance proceeds to cover the cost of a replacement police vehicle from the General Fund to the Streets and Equipment Fund, additional funding approved for the state softball tournament from the City Hotel Occupancy Tax Fund to the General Fund, additional materials and City in-kind labor and equipment for the Belle Towers drainage project from the General Fund to the Streets and Drainage Fund, and the allocation of HOT funds for the marketing and promotion of the Simon Conference Center from the City Hotel Occupancy Tax Fund to the new Simon Conference Center Fund.

- [X] RESOLUTION

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon Resolution No. R-16-022 Expressing Official Intent to Reimburse Certain Costs Related to the Furnishing and Equipping of the Expanded and Renovated City Library.

**SUMMARY STATEMENT:** As the expansion/renovation project at the Nancy Carol Roberts Memorial Library nears completion, Council has approved the purchase of shelving systems and furnishings from several vendors using numerous purchasing cooperatives and award of competitive bids. We have talked about securing a capital lease for financing these capital purchases.

Under a traditional capital lease arrangement, the leasing company pays the vendor directly for the equipment, places a lien on the equipment and the City provides insurance.

Rather than pursue a traditional lease option, we are working with Bank of Brenham, our depository bank, to secure financing. We are proposing this financing structure due to several factors:

- There are multiple vendors and multiple invoices for the library furnishings;
- There are multiple pieces of shelving systems and furnishings, rather than a single capital asset (i.e. asphalt zipper);
- There are various shipment dates over several months; and
- The multiple transactions that a leasing company would need to process provide opportunities for confusion and errors.

Our city attorney has been working with Bank of Brenham to review the financing arrangement and the legal documents. We are asking Council to approve the Reimbursement Resolution today to give us time to finalize this financing option to bring back to Council for formal approval at the September 1st Council meeting. Approval of the Reimbursement Resolution will allow the City to pay any vendor invoices that might come due before the financing arrangement is approved by Council, and reimburse ourselves from the loan proceeds.

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon An Ordinance on Its First Reading Amending Chapter 21, Signs, of the Code of Ordinances of the City of Brenham

**SUMMARY STATEMENT:** City Staff was approached by SignAD Outdoor who made a presentation to City Council on April 28, 2016 to ask about possibly amending the billboard ordinance to be more favorable to their business. City staff also held a workshop meeting with our Board of Adjustments to give ample opportunity for public information opportunities. We did receive some concern from a couple of individuals about allowing new digital or non-digital billboards within the city limits. We also received some concern from individuals at the Board of Adjustment meeting about digital signs in general. Staff explained to them at that time this was regarding digital billboards. City staff also received interest from three other billboard companies after the presentation by SignAD Outdoor’s presentation to City Council.

Staff explained to all the parties interested in the billboard ordinance that we would include them in the process of any amendments that took place. We informed them that a committee was formed and once a draft of the ordinance was ready for review we would send out the committee’s proposed ordinance to anyone that showed interest in the process to give them an opportunity to add any comments. We did finalize the proposed ordinance and did send this out to all of the parties interested in the amendments. We did not receive any comments back from the billboard sign companies. We did receive a comment back from one person that was not in favor of allowing billboards but was more for a clarification on one section and a vote of approval from them on what the committee was intending to present to City Council.

The proposed ordinance itself is actually giving staff more enforcement power over signs that are not maintained and have discontinued actually advertising for a time period of 120 consecutive days to allow us to have the billboards removed all together. There is also an additional provision that allows for staff to pursue removing the sign is repair or reconstruction exceeds 60 percent of the actual cost of erecting a new sign.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Bid #3900.049 Related to the Repairs of the Walking Trail at Hohlt Park Trail and Authorize the Mayor to Execute any Necessary Documentation

SUMMARY STATEMENT: On August 11, 2016 the Purchasing Dept. along with O’Malley Strand opened bids related to the Hohlt Park Trail Reconstruction project. There were 4 bids received.

The work bid out consisted of the reconstruction of the walking trail which included demolition of the old trail remnants, addition of new crushed granite, galvanized hot-dipped metal edging, erosion control and a SWPP plan. All these items will be accomplished with the overall goal of bringing the original trail back to its 6’ wide surface with also accomplishing the ADA regulations. Based off of the bids, Collier Construction submitted the lowest bid for the proposed work.

The base bid submitted by Collier was $144,200.00. This was not budgeted for but has been documented in the FEMA report and it is estimated that 75% of the cost will be covered through the disaster funds. The remaining 25% will come from general fund reserves over the 95 days.

The bid documents call for the work to be substantially complete within 60 calendar days after the date when the contract times commence. It is expected that work will begin around September 1st and be completed by November of 2016.

Staff recommends awarding the project to Collier Construction in the amount of $144,200.00

STAFF ANALYSIS (For Ordinances or Regular Agenda Items):

A. PROS: Will receive a new trail with a heavy duty edging allowing the trail to be brought back to its original state.

B. CONS: Will most likely be responsible for 25% of the costs. Also, an inconvenience for walkers and joggers for approximately 6 months.

**SUMMARY STATEMENT:** Earlier this year, an organization was formed to offer an arts-related event – Texas Arts and Music Festival – that has been planned in conjunction with Main Street’s Texas Brew Step on October 15. The group has worked closely with Main Street to cross-promote the two events, and we’re excited to be working with them as they bring a variety of cultural arts programming to Brenham for what should prove to be a great weekend of entertainment, education and fun. Brad Stufflebeam, owner of Home Sweet Farm Market and Biergarten, is the chairman of the organization, and representing the organization, has submitted a Noise Variance Request for their event to be held at and around the Ant Street Inn. The public music portion of the event will be from 4:00 p.m. – 10:00 p.m. They will have two bands setting up behind the Ant Street Inn. The Brenham Police Department and the Brenham Fire Department have approved the noise variance request; therefore, I ask the City Council to approve the request. Stufflebeam and some of the others involved with the event will be at the meeting to answer any questions.
