1. Call Meeting to Order
2. FY 2016-17 Proposed Budget Discussions

City Manager Terry Roberts welcomed Council and advised that staff is projecting FY17 General Fund revenues to only be slightly higher than FY16 by about $200,000 or 1.5% with additional property taxes, city sales tax and court fees and fines accounting for the majority of the increase. Roberts explained that sales tax revenues are expected to be slightly higher and utility franchise taxes are expected to be flat compared to FY15. Roberts advised the primary revenue drivers in the General Fund in the FY17 Proposed Budget include stabilized sales tax, modest growth in property valuations, utility franchise tax and utility inter-fund transfers.

Roberts advised Council that staff has focused on four general fund budget priorities:

1. Adding three (3) additional firefighters in FY17 with property tax increase. This priority will have an impact to the General Fund budget of $185,000; however, it can be accomplished with a $0.02 increase in the O&M tax rate.
2. Restore funding for street reconstruction program of $900,000 at $225,000 over four (4) fiscal years. This priority would require a $0.0137 increase in the I&S tax rate.
3. Provide funding for capital expenditures to preserve the current level of services to the community and citizens. Resources for funding vehicle/equipment replacements can come from FY16 Above Budget Net Revenues (ABNR) and savings in personnel.
4. Maintain the ninety (90) day reserve policy and five (5) days of reserve of Renovations and Replacements. The proposed FY17 budget has a projected General Fund reserve amount of $3,884,971 or 108.37 days.

Roberts also advised Council that staff has focused on the following personnel budget priorities:

1. Increase funding for Texas Municipal Retirement System (TMRS) to reduce unfunded liability.
2. Perform a careful review of Full Time Equivalents (FTE) and staffing requirements in all areas.
3. Evaluate new personnel requests for the FY17 proposed budget.
5. Cost of living adjustment (COLA) for all city employees was not funded.
6. Identify changes to fully funded group medical plan to mitigate any premium increases for the City.
7. Continue retiree group medical plan subsidy.

Assistant City Manager and Chief Financial Officer Carolyn Miller presented a brief overview of the General Fund budget for FY17. Miller explained in detail the 90-day reserve calculation, capital and personnel additions, capital requests not funded, departmental fund transfers, and franchise payments to the General Fund.

MEMORANDUM

To: Mayor, Council and City Manager

From: Carolyn D. Miller
Assistant City Manager - Chief Financial Officer

Subject: Second Public Hearing on Proposed 2016 Tax Rate

Date: August 26, 2016

A governing body must hold two public hearings to receive citizen comments on a proposed tax rate. The first public hearing on the proposed tax rate was held during the Council meeting on August 18, 2016 and citizen comments were received.

A property tax rate of $0.5070 per $100 valuation is proposed to fund the FY2016-17 Budget. Of this rate, $0.3150 will be for maintenance and operations (M&O). The balance of $0.1920 is for debt service (interest and sinking or I&S). Based on the certified taxable values of $1,198,049,873 the effective tax rate is $0.4710 and the rollback rate is $0.5132 per $100 valuation for the 2016 Tax Year.

The increase in property taxes will cover the addition of three new firefighters and provide resources for street paving.

At each hearing, the governing body must announce the date, time, and place of the meeting at which it will vote on the tax rate. After receiving citizen comments, the following announcement should be made:

The first reading of the Ordinance to adopt the tax rate will be during a Special Council meeting on Monday, September 12, 2016 at 8:00 a.m. at City Hall, located at 200 W. Vulcan Street. The second reading of the Ordinance and adoption of the tax rate is scheduled for a Regular Council meeting on Thursday, September 15, 2016 at 1:00 p.m. at City Hall, located at 200 W. Vulcan Street.

**Agenda Item Description:** Discussion and Presentation of Main Street Initiatives

**Summary Statement:**
The purpose of this presentation to Council, a key stakeholder in the development of economic vitality for the downtown district, is to provide an update on various Main Street initiatives from two sub-committees from the Main Street Advisory Board: 1) the Economic Restructuring Committee (ERC) and 2) the Planning Committee. These two committees traditionally have worked independently to positively influence and impact the economic health and the preservation of important historic assets in downtown Brenham. The ERC looks to develop and identify new market opportunities for the historic district, find new uses for historic commercial buildings and stimulate private sector investment in property. The Planning committee’s focus has been to keep the Downtown Master Plan which was adopted by City Council in 2012 at the forefront of all Main Street initiatives.

In September of 2015, staff brought these two committees together for a series of joint meetings. At the first joint meeting, three strategic priorities were identified: 1) attract more downtown lodging development, 2) seek the ownership of TX Dot right of way and 3) improve the relationship with the key downtown stakeholders. Each of these priorities are key to the development and economic vitality of the downtown area. Staff has looked to several development industry experts to either speak via video or in person at some of these joint meetings. The recurring themes presented by these experts include: 1) downtown needs more lodging within walking distance to support the new conference center destination, 2) the transportation flow should create prosperity in downtown by reducing speeds and increasing pedestrian safety, 3) public investment in streetscapes and infrastructure encourage density in the area, 4) the downtown district is historically authentic and should be preserved and 5) all agree that the downtown economy is essential to the strength of the overall local economy of the area.

Downtown Brenham is currently experiencing the highest first floor occupancy rates in decades and there is continues to be interest in private sector investment. Based upon the past months of strategic planning, visioning and research, each of these committees’ initiatives were re-focused to align with the guidance received from industry experts and the priorities set in the joint committee meetings. Each committee has taken on specific tasks and these are briefly outlined below.
Economic Restructuring Committee (ERC):  The committee members include: Bill Anger, John Hermann, Jon Hill, Luther Hueske, Jim Moser and Charlie Pyle. This group is drafting an incentive guideline which will support both new and existing building and business owners in the downtown district. Other initiatives for this committee include analyzing a value per acre for appraised property values, inventorying available facilities and highlighting those opportunities on the downtown Brenham website, offering informational workshops for Federal and State tax credit programs, offering information sharing opportunities with building and/or business owners to promote downtown as a retail destination for marketing and promotion.

Planning Committee: The committee members include: Melinda Faubion, Keith Hankins, Darren Heine, Page Michele, Mary Barnes-Tilley, Tommy Upchurch and Tom Whitehead. This group is evaluating the feasibility of implementing changes to the zoning and proposed districts which are identified in the Downtown Master Plan. This is critical to the expansion and growth of the downtown district. For example, there is an area just outside of the existing B3 district along 1st Street between S. Park and Church that has experienced interest from the private sector for development. The Planning Committee considers recent changes in property ownership in this area as an opportunity for the implementation in part or whole of the Southside District of the Master Plan. In addition to this current market driven initiative, the group is working to prioritize a five (5) year working plan of projects to be considered for public or grant funding opportunities, to solve right of way issues with TX Dot, meet the parking needs for the district, and control vehicular speeds, streetscape improvements and wayfinding signage.

Each of these Main Street committees consistent of dedicated community leaders working as volunteers to support a model of development that allows Brenham to become financially strong and resilient through sustainable and planned growth in downtown. The Main Street Advisory Board and various sub-committees humbly seek the continued support and feedback from the many community stakeholders such as local residents, the City of Brenham, the Brenham Community Development Corporation, the County and the downtown business and building owners. This initiative update was provided to BCDC at their Board meeting held April 21, 2016 and on May 24, 2016 Main Street hosted an information sharing meeting with downtown stakeholders. These meetings provided an update on various Main Street initiatives such as: wayfinding, right of way concerns and recent private investments in downtown. The most important aspect of these meetings like the September 1, 2016 work session with Council is to gather feedback from all key stakeholders to further the development of Main Street initiatives.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon the Approval of the FY2016-17 Budget for the Washington County Appraisal District

SUMMARY STATEMENT: The City has received a copy of the Washington County Appraisal District’s (WCAD) FY2016-2017 Budget. The WCAD budget shows an increase of $38,711 over the prior year’s budget due to the addition of a field appraiser, a 3% salary increase adopted by the Brenham Independent School District Board and several other smaller line item increases. The impact for the City of Brenham is an increase of $2,888 for FY16-17 which was included in the General Fund proposed budget already reviewed with Council.

I have attached the transmittal letter from Mr. Willy Dilworth and he will be attending the Council meeting to present the information and to answer any questions that may arise.

April 14, 2016

Dear Mr. Roberts:

The Washington County Appraisal District is in the process of preparing our 2016-2017 budget. Attached with this letter is a copy of the preliminary budget as of today’s date. The budget committee appointed by the taxing entities will meet again on Tuesday to look at this proposed budget in depth. The WCAD Board of Director’s will look at it on April 26, 2016 and should formally adopt it on June 28, 2016.

When you look at the proposed budget you will note that it is color coded. A green cell indicates a reduction in that category, while a yellow indicates an increase in that category. The primary increases are the result of three (3) percent pay raises, a new field appraiser, increased cost of proprietary software and appraisal services, and disaster recovery insurance.

If you look at the middle of page two of the budget you can see the cost to each entity for the past year and for the upcoming year based on this proposed budget. It should also be noted that the proposed budget reflects an increase of slightly over five (5) percent over last year.

Also attached with this letter is a list of proposed salaries for the 2016-2017 year. Please include with this the cost of a proposed appraiser position at approximately $36,714.35.

Please note that this is a no-action item for you at this time. However, if you have issues with any part of this budget, please contact me or your budget committee member so we can address them before the formal adoption process in June.

The budget committee will also look at uses for the $54,633 carried over from the 2014-2015 budget. I am going to request that the entities allow the WCAD to retain those funds.
for upcoming projects. This will be addressed in information to be conveyed to you in a
detailed letter in the week following our April WCAD board of director’s meeting.

As always thank you for your help with everything we do here.

Sincerely;

Willy Dilworth

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon an Ordinance on Its First Reading Approving Financing for the Purchase of Furnishings and Equipment for the Expanded and Renovated Nancy Carol Roberts Memorial Library

**SUMMARY STATEMENT:** As the expansion/renovation project at the Nancy Carol Roberts Memorial Library nears completion, Council has approved the purchase of shelving systems and furnishings from several vendors using numerous purchasing cooperatives and award of competitive bids. At the last Council meeting, we discussed the differences between securing a traditional capital lease for financing these purchases, and the recommendation to secure financing from our depository bank, Bank of Brenham.

We are proposing this financing structure due to several factors:

- There are multiple vendors and multiple invoices for the library furnishings;
- There are multiple pieces of shelving systems and furnishings, rather than a single capital asset (i.e. asphalt zipper);
- There are various shipment dates over several months; and
- The multiple transactions that a leasing company would need to process provide opportunities for confusion and errors.

Our city attorney has been working with Bank of Brenham to review the financing arrangement and develop the necessary loan documents. We are asking Council to approve an Ordinance on its first reading approving the loan from Bank of Brenham for $450,000 for furnishing and equipment for the NCRML.

**STAFF ANALYSIS (For Ordinances or Regular Agenda Items):**

**A. PROS:** Provide resources necessary to pay for library furnishings from loan proceeds.

**B. CONS:**

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Resolution No. R-16-023 for the Acceptance of a Special Projects Grant from the Texas State Library and Archives Commission in the Amount of $16,350 for the “Play On” Program at the Nancy Carol Roberts Memorial Library

SUMMARY STATEMENT: The Texas State Library and Archives Commission (TSLAC) offered a competitive FY17 Library Special Projects Grant with funds from the Institute of Museum and Library Services (IMLS). This grant provides funding for programs that expand library services to populations with special needs. The library currently offers a weekly musical program to members of the Brenham state supported living center. The proposed “Play On” program would use assistive technology along with creative tools allowing the library to offer a therapeutic music program to benefit people with disabilities.

When researching the special needs population in Washington County we found that according to a recent ACS PUMS Data report, 14.5% of the county’s noninstitutionalized residents are faced with developmental disabilities. Numerous studies show the benefit of interactive music programs and report that in those with developmental disabilities, music can facilitate: attention, recognition, communication, social skills, self-esteem, and more.

The Nancy Carol Roberts Memorial Library was notified by email of the grant award August 2, 2016. Staff attended a Next Steps webinar hosted by the Texas State Library and Archives Commission on August 3, 2016. Erica McCormick of TSLAC reviewed the grant requirements as 73 agencies within the State were awarded some type of TSLAC grant. The grant amount awarded to the NCRML was the Library Cooperation Grant in the amount of $16,350. This is a reimbursement grant which would purchase new technology and related components in the library’s new program room, and a musical tool known as a skoog which allows mentally and physically disabled individuals to create music. All purchases are to be held and owned by the NCRML.

Staff respectfully requests that Council accepts this grant opportunity so that the library can better serve all members of the community.

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon Resolution No. R-16-024 for the Acceptance of a Cooperation Grant from the Texas State Library and Archives Commission in the Amount of $15,500 for the “Library Small Business and Workforce Development Hub” Program at the Nancy Carol Roberts Memorial Library

**SUMMARY STATEMENT:** The Texas State Library and Archives Commission (TSLAC) offered a competitive FY17 Library Cooperation Grant with funds from the Institute of Museum and Library Services (IMLS). This grant provides funding for programs that establish or enhance cooperative services among Texas library communities. Funded programs are required to develop partnerships with community-based organizations. Library staff met with Blinn College Small Business Development Center (SBDC) representatives to discuss the benefit and impact of this grant opportunity. Statistics from the Texas Workforce Commission show a recent decline in the county’s economic health making it especially difficult for new business owners and entrepreneurs to succeed. According to the Texas Small Business Needs Assessment Poll (2015) a disproportionately high percentage of respondents, at 17%, reported they were unaware of their certification status as a Minority or Women-owned Business Enterprise (MWBE), and would be interested in courses related to tax payer requirements, marketing, and more. A partnership between the SBDC and NCRML would educate small businesses and increase awareness of eligibility for MWBE status and potential benefits.

The Blinn College Small Business Development Center (SBDC) has a history of working with vulnerable businesses and provides consulting and training, but lacks a meeting space with the necessary technological capabilities. The SBDC and NCRML have agreed to a partnership that combines the skill set and business expertise of the SBDC along with the technology skills of library staff and wired facility offerings of NCRML.

The goal of the partnership is to:

1. Meet training needs of small businesses and entrepreneurs by offering quarterly workshops
2. Meet technology and videoconferencing needs by offering a “SMART” business meeting space
3. Offer technology and mobile printing resources to increase business productivity
4. Develop digital literacy skills of the local workforce in order to meet staffing needs of local businesses
The Nancy Carol Roberts Memorial Library applied for the Texas State Library and Archives Commission grant. To meet the requirement of partnership development for the grant, a Memorandum of Understanding between Blinn College SBDC and the Nancy Carol Roberts Memorial Library was drafted. This document has been reviewed by the City Attorney and is attached.

The Nancy Carol Roberts Memorial Library was notified by email of the grant award August 2, 2016. Staff attended a Next Steps webinar hosted by the Texas State Library and Archives Commission on August 3, 2016. Erica McCormick of TSLAC reviewed the grant requirements as 73 agencies within the State were awarded some type of TSLAC grant. The grant amount awarded to the NCRML was the Library Cooperation Grant in the amount of **$15,500**. This is a reimbursement grant which would purchase new technology to be held and owned by the NCRML and pay instructor and material fees for 4 small business themed workshops be held at the NCRML.

Staff respectfully requests that Council accepts this grant opportunity so the library can accomplish its goal of better serving the small business community.

Memorandum of Understanding

WHEREAS, Nancy Carol Roberts Memorial Library and Blinn College Small Business Development Center have come together to collaborate and to make an application for the Texas State Library and Archives Commission - Library Cooperation grant; and

WHEREAS, the partners listed below have agreed to enter into a collaborative agreement in which Nancy Carol Roberts Memorial Library (NCRML) will be the lead agency and named applicant and Blinn College Small Business Development Center (SBDC) will be partners in this application; and

WHEREAS, the partners herein desire to enter into a Memorandum of Understanding ("MOU") setting forth the services to be provided by the collaborative; and

WHEREAS, the application prepared and approved by the collaborative through its partner is to be submitted to the Texas State Library and Archives Commission on or before March 11, 2016;

I) Description of Partner Agencies

The SBDC at Blinn College is part of the Gulf Coast Small Business Development Center network and serves 3 Texas counties including: Washington, Austin, and Colorado. The SBDC defines a small business as one that employs less than 500 people. The agency works with approximately 90 clients per year by assisting with financial guidance, offering marketing and business skill development workshops, and assisting with efforts to start and operate a business enterprise.

II) History of Relationship

The SBDC currently utilizes the Blinn College computer lab to offer online courses and administer computer-based training sessions but has discussed utilizing the NCRML facility in the future. The Nancy Carol Roberts Memorial Library currently works to inform patrons of the numerous resources offered by the SBDC but has never before offered joint programming with the organization.

The critical goal of this collaboration is to develop a public partnership with a commitment to small business development in order to provide our community with the knowledge, tools, techniques, and resources needed to start, operate, or improve a small business.

III) Development of Application

The library recently met with the director of the SBDC at Blinn College in order to discuss county wide business needs. A partnership was formed and an agreement was made that the Library Cooperation grant could assist with meeting community needs through a small business
IV) Roles and Responsibilities

NOW, THEREFORE, it is hereby agreed by and between the partners as follows:

2) Blinn College Small Business Development Center will provide educational assistance and workshop presenters to the library small business development hub for an agreed fee including:
   a. Instructor led small business workshops and classes for registered participants. For example workshops addressing:
      i. New tax payer requirements and filing tips
      ii. Quick books training
      iii. Marketing a business
      iv. Starting and developing a business
   b. Support staff at a prescribed time to administer related trainings.
   c. Assistance with development of marketing resources to promote the library small business development hub.

3) Nancy Carol Roberts Memorial Library and Blinn College Small Business Development Center will collaborate in the following manner:
   a. Partners will develop a presentation and promote small business resources to community groups
   b. Partners will provide a selection of small business workshops throughout the year.
   c. Partners will assist workshop participants with computer and software use when necessary.
   d. Partners will track and report program outcomes.

V) Timeline

The roles and responsibilities described above are contingent on Nancy Carol Roberts Memorial Library receiving funds requested for the project described in the Library Cooperation grant application. Responsibilities under this Memorandum of Understanding would coincide with the grant period, anticipated to be 09/01/2016 through 08/31/2017.

VI) Certifications

1) Blinn College Small Business Development Center understands that acceptance of funds from Nancy Carol Roberts Memorial Library under this Memorandum of Understanding acts as acceptance of duly authorized representatives of TSLAC, IMLS, the Comptroller General of the United States, and the Texas State Auditor's Office, or any successor agencies, to conduct an audit or investigation in connection with those funds. Blinn College Small Business Development Center further agrees to cooperate fully with said representatives in the conduct of the audit or investigation and agrees to provide access to all books, documents, papers, examinations, excerpts, transcripts, copies, and any other records necessary to conduct the audit and/or investigation.
2) **Blinn College Small Business Development Center** certifies by this Memorandum of Understanding that no Federal appropriated funds have been paid or will be paid, by or on behalf of **Blinn College Small Business Development Center**, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement. AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon an Ordinance on Its First Reading Amending Appendix A – “Zoning” of the Code of Ordinances of the City of Brenham, Texas, Part V, Section 3.03, Relating to the Number of Alternate Members to the Board of Adjustment

SUMMARY STATEMENT: The Board of Adjustment is a quasi-judicial board consisting of five members and two alternate members. A quorum for this board is four members in attendance. There have been a couple of recent issues with lack of quorum or too many board members with a conflict of interest. In an effort to remedy this situation, staff would like to change the number of alternates for the Board of Adjustment back to four instead of two. This Board used to have four alternates; however, this was changed to two alternates in January 2013. The Planning and Zoning Commission recommended unanimous approval of this change.

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon an Agreement Between the City of Brenham and the Brenham Community Development Corporation (BCDC) for Management, Administrative, and Technical Services and Authorize the Mayor to Execute Any Necessary Documentation

**SUMMARY STATEMENT:** The Brenham Community Development Corporation (BCDC) and the City of Brenham (City) work cooperatively to promote local economic development and the stimulation of business and commercial activities within the City of Brenham. An agreement is under consideration and presented to the BCDC to allow the City to provide management, administrative, and technical staff necessary for the BCDC to carry out its powers and functions.

The purpose of this agreement is to have the City Manager, or his designee(s), implement, administer, and carry out the duties that an executive director or other staff of the BCDC would have in managing, administering, and providing technical services for the economic development programs and projects approved by the BCDC.

This agreement allows the City to handle the administration and management of services related to contracts, consultants, and contractors. This agreement for administrative and management services was initiated as a result of the detention pond design for the Brenham Business Center. The detention pond agreement is between the BCDC and the consulting engineer which does not allow the City to handle the day to day activities for the BCDC related to programs and projects. However, the proposed management and administrative agreement allows for the City and BCDC to have the relationship where the City manages the administrative services and/or day to day duties, in place of an executive director or other staff hired by the BCDC.

BCDC further agrees to reimburse the CITY for any out-of-pocket costs or expenses incurred by the CITY in providing the services described herein to the BCDC. In the event the BCDC does not timely reimburse the CITY for said costs or expenses as required herein, the CITY shall be authorized to deduct and retain the amount of any delinquent payment due to the CITY upon receipt of and out of any economic development sales tax revenues received from the Comptroller of Public Accounts for the State of Texas, in addition to any other remedy available to the CITY at law or equity. 5. In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

6. This Agreement constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Agreement may only be amended or supplemented by mutual agreement of the parties hereto in writing.

**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon A One Year Contract Extension, in Accordance with Bid No. 15-008, for Gasoline and Diesel Fuel for the City of Brenham’s Vehicle and Equipment Fleet and Authorize the Mayor to Execute Any Necessary Documentation

**SUMMARY STATEMENT:**
On June 9, 2015 the City of Brenham opened bids regarding bulk fuel and fleet fueling services. There were two bid packets sent out and one packet received. The bid packet received was from Alexander Oil in Brenham, TX. Bid specifications were based off of the lowest profit margin per gallon above the average OPIS (Oil Price Information Service). Alexander Oil provided the only bid with $0.12 per gallon above the OPIS for regular unleaded, medium grade unleaded, premium grade unleaded and No. 2 clear diesel. The bid of $0.20 per gallon above the OPIS was for No. 2 dyed diesel. This profit margin has remained the same from the prior 2012 bid.

Alexander Oil provides the City of Brenham a location to fuel up fleet vehicles along with supplying numerous departments’ bulk fuel at their desired location for items such as generators, bulk storage tanks and the tub grinder. They also provide a secondary location for times when the main location is being worked on or temporarily out of service. This location is the Brenham Food Stop on Prairie Lea St.

We would like to ask council to award a one year extension to Alexander Oil based off of the bid information sheet. The initial contract was for 3 years. This will be the first annual renewal.
