Kolby explained that the Tax Phase-In Compliance Review Committee meets every year to review all of the current tax phase-in recipients who were granted the incentive to ensure that value creation and employment and payroll criteria are being met. This year, the Committee reviewed the following companies for compliance: Advanced Data Storage, Stanpac, Blue Bell Creameries, QuestSpecialty, Valmont Industries, Longwood Elastomers, MIC Group, Brazos Valley Brewing Company, PPE/GSL and Tempur Sealy. Kolby noted that the Committee has verified that all ten companies are in compliance with the criteria set forth in the Tax Phase-In Policy.
6. **Discussion and Presentation on Masonry Standards**

Development Services Manager Erik Smith presented this item and introduced Tony Topping with the Texas Masonry Council. Topping explained the masonry requirements and the benefits that this type of ordinance can have on a community long term. Topping stated that there are many different ways a community can adopt this type of regulation and have a major impact on long term property values and also be flexible and cautious on impacting rising construction costs. Topping advised that Council can ultimately choose what types of development (ie, commercial, residential or both), would have this type of requirement and overall percentages of a new buildings constructed of masonry materials.

Councilmember Barnes-Tilley stated that it would be helpful to know what the benefits to the home owner would be regarding long term cost versus building a home with a product that would be cheaper up front. Topping stated that he has information that could explain that to homeowners. Barnes-Tilley also stated that citizens have conveyed to her that they do not want our city to look like every other city in Texas. Barnes-Tilley advised that she would like to see our town grow, as well as keep the charm and quality of standards that are already in place.

Smith advised that he would like to have a group of Councilmembers to be part of a committee to help explore this more. Councilmembers Goss, Barnes-Tilley and Herring volunteered.

7. **Discussion and Presentation on the Nancy Carol Roberts Memorial Library Policy Manual**

Librarian Andria Heiges presented this item. Heiges stated that Staff began policy revision discussions with the Library Advisory Board at the March 27, 2013 board meeting. Heiges stated that at that meeting the Library Advisory Board voted to create a policy sub-committee to comprehensively review the Library policy manual. Heiges advised that this committee met over the course of the following year with all recommended revisions being presented to the Library Advisory Board for their approval. Heiges stated that the Library Advisory Board voted at their November 16, 2016 meeting to recommend the new Nancy Carol Roberts Memorial Library Policy Manual to the City Council for their approval.

Councilmember Herring commended Heiges on her hard work preparing the new policy manual.

Rau stated that the project involved one change order, which was the pedestrian bridge behind the Amphitheatre. Rau explained that this would have been part of the original scope of work but due to the geotechnical report not meeting the bid deadline, the stabilization work on this structure had to be handled through a change order.

A motion was made by Councilmember Barnes-Tilley and seconded by Councilmember Herring to approve Change Order No. 1 and the final payment to Collier Construction Co. in the amount of $33,184.20 for the Hohlt Park Trail Reconstruction and authorize the Mayor to execute any necessary documentation.

The Honorable Mayor Milton Tate, City of Brenham

Dear Mayor Tate,

As you are aware, the Brenham Housing Authority is currently moving to close our first RAD modernization project – Northview Village. BHA is utilizing Multi-family Housing Revenue Bonds as one of the financing vehicles for this project. Pursuant to requirements of the IRS code subject to the bonds, the Issuer, Washington County Housing Corporation, must obtain approval of the local jurisdiction where the project is situated before the bonds can be issued.

BHA is therefore requesting approval of the bonds by the City of Brenham via resolution by City Council at the next council meeting on January 12, 2016. I have attached a resolution promulgated by our bond counsel which may be used for this request. I have also attached documentation confirming that the requisite public hearing was held and properly advertised to the public.

Please advise if there is any additional information you need in order to present this request to council for approval. Thank you for your consideration in this matter.

Sincerely,

RESOLUTION NO. R-17-001

A RESOLUTION APPROVING THE ISSUANCE OF MULTIFAMILY HOUSING REVENUE BONDS BY THE WASHINGTON COUNTY HOUSING CORPORATION FOR THE NORTHVIEW VILLAGE APARTMENTS REHABILITATION PROJECT

WHEREAS, Washington County Housing Corporation (the “Issuer”), a public facility corporation, created by the Housing Authority of the City of Brenham, has induced the issuance of Multifamily Housing Revenue Bonds (Northview Village Apartments) Series 2016 (the “Bonds”), to be issued in one or more series of tax-exempt bonds in an aggregate principal amount not to exceed $6,000,000; and

WHEREAS, the proceeds of the Bonds will be loaned to Northview Village, L.P. (the “Borrower”), to finance a portion of the costs of land acquisition, rehabilitation and equipping of a 66-unit residential rental development to be known as the Northview Village Apartments (the “Project”); and

WHEREAS, Section 147(f) of the United States Internal Revenue Code of 1986, as amended (the “Code”), requires the Issuer to obtain the approval of the City of Brenham as the local jurisdiction wherein the Project is situated before the Bonds can be issued; and

WHEREAS, the Issuer has provided appropriate documentation to the City Council that the requisite public hearing regarding the issuance of the Bonds was held by the Issuer on September 29, 2016, at 5:00 p.m. at the offices of the Issuer, 1801 Northview Circle Drive, Brenham, Texas 77833;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BRENHAM:

Section 1. The City Council gives its approval for the Issuer to issue the Bonds, the proceeds of which will be loaned to the Borrower to finance the costs of land acquisition, rehabilitation and equipping the Project located at approximately 1904 through 1976 Northview Circle and 1902 through 1925 Pecan Circle Drive, Brenham, Texas 77833.

Section 2. The Mayor and City Secretary are authorized and directed to take any action and to execute and deliver and documents that are necessary or advisable to comply with the terms of this Resolution and the issuance of the Bonds.
Section 3. Nothing in this Resolution shall be construed to create any obligation whatsoever of the City with respect to the repayment of the Bonds. The Bonds shall never constitute an indebtedness or pledge of the City within the meaning of any constitutional or statutory provision, and the Bonds shall never paid in whole or in part out of any funds raised or to be raised by taxation or any other revenues of the City.

Section 4. This Resolution is adopted solely for the purposes of approval under Section 147(f) of the Code and shall not be construed as a representation, warranty, or other understanding of any kind by the City in respect of the Bonds or the Project. In particular, but without limiting the foregoing, this Resolution does not constitute zoning approval, approval of any building permit, or any other approval required by the City in regard to the Project.

PASSED AND APPROVED this _____ day of ________________, 2017.

The Borrower plans to spend approximately $7,653,473* in hard costs to substantially rehabilitate the Project. Rehabilitation will include new roofs, a/c replacement, new flooring, new appliances and plumbing fixtures, interior & exterior door replacement, substantial landscaping and tree removal, sidewalk replacement and parking lot repair/striping. Site amenities include a playscape, gazebo, barbecue grills, and covered cabana. The Project also features a furnished community room and children's activity room. The Project will have energy efficient design features and offer on-site social services specifically tailored to children and families.

RAD Program and Section 8 Assistance

The RAD program administered by HUD was established in 2011 to assist in the voluntary conversion of public housing and other HUD-assisted properties to long-term, project-based Section 8 rental assistance, utilizing either project-based vouchers or project-based rental assistance contracts. The Borrower has designated all of the units in the Project (“Section 8 Units”) as RAD units to participate in the RAD program. The Borrower will enter into a Housing Assistance Payments Contract with respect to the Section 8 Units (“HAP Contract”), which will have a term of 20 years.

In connection with the RAD conversion, HUD will also enter into a Rental Assistance Demonstration Use Agreement with the Borrower with respect to the Property (a “RAD Use Agreement”) with a term corresponding to the term of the related HAP Contract. The RAD Use Agreement will require that the Borrower operate the Section 8 Units in the Project as rental housing for tenants meeting

* Preliminary; subject to change.
the eligibility and income-targeting requirements under the HAP Contract for the term of the HAP Contract.

The HAP Contract will provide for HUD to fund certain rental assistance payments on behalf of Eligible Tenants in the Section 8 Units based on certain rents determined by HUD ("Contract Rents"). Eligible Tenants are defined generally as those households whose income does not exceed 80% (on a scale weighted to reflect family size) of the median income for an area as determined by HUD. The HAP Contract will also require that preference be given to leasing to very low-income tenants (tenants having incomes that do not exceed 50%, on a weighted scale, of the median incomes for the area). Eligible Tenants pay a maximum of 30% of their monthly adjusted gross income as rent with the HAP Contract contributing the remaining difference between the tenant share and the HUD determined monthly rental rate. The HAP Contract is expected to have the term as described above, although the funds to make the assistance payments under the HAP Contracts are subject to annual appropriations by Congress. Housing assistance payments are subject to abatement or termination if dwelling units are not properly maintained or occupied and the HAP Contract may be terminated in the event of a default thereunder by the Borrower. No assurance can be given as to the effect of any future legislative or administrative changes upon HUD or the Section 8 Program.

Project Regulation

The Borrower intends to rehabilitate and operate the Project as a qualified residential rental project in accordance with the provisions of Section 142(d) of the Code. Concurrently with the issuance of the Bonds, the Borrower, the Issuer and the Trustee will enter into the Tax Regulatory Agreement. Under the Tax Regulatory Agreement, the Borrower will agree that, at all times during the Qualified Project Period, the Borrower will rent at least 40% of the units in the Project to persons whose adjusted family income (determined in accordance with the provisions of the Code) is less than 60% of the median area income (adjusted for family size). The Qualified Project Period commences on the later of the Closing Date or the first day on which at least 10% of the units are occupied and continues until the latest of (a) the date which is fifteen (15) years after the date on which at least fifty percent (50%) of the units in the Project are first occupied, (b) the first date on which no tax-exempt private activity bonds issued with respect to the Project are outstanding, or (c) the date on which any assistance provided with respect to the Project under Section 8 of the Housing Act terminates. The failure of the Borrower to comply with the Tax Regulatory Agreement could cause interest on the Bonds to be included in gross income for federal income tax purposes.

The Project will also be encumbered by an Extended Use Agreement required by Section 42 of the Code relating to the Tax Credits, which will (a) restrict the income levels of tenants occupying 100% of the units in the Project to amounts not greater than 60% of the area median income, adjusted for family size, and (b) restrict the rents which may be charged for occupancy of units in the Project to not more than 30% of 60% of area median income, adjusted for family size.

Additional restrictions are imposed on the Project pursuant to the HUD Regulatory Agreement entered into by the Borrower in connection with the Mortgage Loan, and by the HAP Contract.

The Borrower

The Project will be owned by Northview Village, a Texas limited partnership (the "Borrower"), whose general partner is Northview Village GP, LLC, a Texas limited liability company (the "General Partner"). The General Partner is owned by Washington County Housing Corporation and has a .01% capital interest in the Borrower. The limited partners of the Borrower will be (i) Raymond James Tax Credit Fund 42 L.L.C., a Florida limited liability company (the "Investor Limited Partner"), with a
99.98% capital interest in the Borrower, and (ii) HuntJon, LLC., an Texas limited liability company (the “Special Limited Partner”), with a .01% capital interest in the Borrower.

The Borrower has not acquired and does not intend to acquire any substantial assets or engage in any substantial business activities other than those related to the Project. However, affiliates of the Borrower may engage in the acquisition, development, ownership and management of other similar types of projects that may be competitive with the Project.

The Developer

The Borrower has entered into a development agreement with HuntJon, LLC (the “HuntJon”) and Washington County Housing Corporation (the “WCHC”) as co-developers, (collectively, the “Developer”) pursuant to which the Developer will be responsible for certain development services in connection with the Project and for which the Developer will receive a development fee from the Borrower.

Limited Recourse to Borrower

The Borrower and its partners will not (subject to certain exceptions to nonrecourse liability set forth in the HUD Regulatory Agreement) be personally liable for payments on the Note, the payments on which are to be applied to pay the principal of and interest on the Bonds; nor will the Borrower (subject to certain exceptions to nonrecourse liability set forth in the Loan Agreement) be personally liable under the other documents executed in connection with the issuance of the Bonds and the making of the Loan. Furthermore, no representation is made that the Borrower will have substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its partners are included in this Official Statement.

Tax Credits

Prior to the issuance of the Bonds, the Investor Limited Partner will acquire a 99.98% limited partnership interest in the Borrower. Pursuant to the Amended and Restated Agreement of Limited Partnership of the Borrower, the funding of the capital contributions from the Investor Limited Partner will total approximately $2,566,611*. The funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the projections set forth above and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds. Tax Credits anticipated to be available to the Borrower will be allocated to the Investor Limited Partner in its capacity as a limited partner of the Borrower.
