WORK SESSION

6. Discussion and Update on a Proposed Residential Treatment Facility to Be Located in Brenham

City Manager James Fisher presented this item. Fisher stated that the City has been asked to consider approving a Resolution regarding the proposed Bluebonnet Haven Residential Facility. Fisher explained that Brenham Independent School District (BISD) is considering a Resolution at their Board meeting tonight regarding the facility and the significant impact it will have on the school system. Fisher advised that the City would adopt a Resolution in support of BISD’s passage of their Resolution. Fisher noted that the Resolution would be presented at the Council meeting on May 3rd.

REGULAR SESSION

7. Discuss and Possibly Act Upon Resolution No. R-18-005 of the City Council of the City of Brenham, Texas, Adopting a Commercial Tax Phase-In Agreement with D Bar B Sausage & Meats, LLC

Page Michel, President of the Brenham Economic Development Foundation, presented this item. Michel explained that the EDF has been working with D Bar B Sausage & Meats, LLC (Kountry Boys Sausage) over the past year in a site selection process to consolidate operations with three locations in contention. Michel stated the Tax Phase-In incentive led to the decision to construct a new facility adjacent to its existing building in the Southwest Industrial Park. Michel advised that the use of the Tax Phase-In incentive will help Kountry Boys invest in the construction materials and necessary equipment and help offset the initial costs of an expansion here. Michel noted that this project will create 10+ jobs and provide a positive economic impact to the local Brenham economy.

A motion was made by Councilmember Herring and seconded by Mayor Pro Tem Ebel to approve Resolution No. R-18-005 of the City Council of the City of Brenham, Texas, Adopting a Commercial Tax Phase-In Agreement with D Bar B Sausage & Meats, LLC.

Mayor Tate called for a vote. The motion passed with Council voting as follows:

- Mayor Milton Y. Tate, Jr. Yes
- Mayor Pro Tem Andrew Ebel Yes
- Councilmember Susan Cantey Yes
- Councilmember Danny Goss Yes
- Councilmember Keith Herring Yes
- Councilmember Charlie Pyle Absent
- Councilmember Weldon Williams Absent
8. Discuss and Possibly Act Upon Submitting a Letter of Interest to the Texas Department of Transportation (TxDOT) Aviation Division for Funding from the TxDOT Aviation Capital Improvement Program and Authorize the Mayor or City Manager to Execute Any Necessary Documentation

City Engineer Lori Lakatos presented this item. Lakatos explained that Staff has identified several airport improvement projects that would be beneficial to the airport. Lakatos stated the Airport Advisory Board made a recommendation, based on staff recommendation, at their March 20, 2018 on when each project should be funded. Lakatos advised that based on the recommendation of the Airport Advisory Board and discussions with Staff and the Engineer, it is recommended that the City submit a Letter of Interest to TxDOT Aviation for the Airport Master Plan and the Runway Bump Repair projects. Lakatos noted the Airport Master Plan is to develop the long-term goals to meet future aviation demands. Lakatos stated this process would help determine what type of airport development is needed and how to grow the airport appropriately to meet the demands. Lakatos explained that the Runway Bump Repair is a safety concern for larger planes. Lakatos advised that this is an area of the runway that had been repaired before, but the problem has returned. Lakatos noted that the new proposed repair should be a more permanent fix to the situation.

Lakatos explained that in the past, the City has utilized Non-Primary Entitlement (NPE) funds from the FAA and TxDOT Aviation’s Capital Improvement Projects (CIP) fund. Lakatos stated the funds are provided at a 90/10 cost share. Lakatos advised that for the Airport Master Plan the City’s match would be $225,000 and the Runway Bump Repair would be approximately $65,000.

A motion was made by Councilmember Cantey and seconded by Mayor Pro Tem Ebel to approve submitting a Letter of Interest to the Texas Department of Transportation (TxDOT) Aviation Division for Funding from the TxDOT Aviation Capital Improvement Program and authorize the Mayor or City Manager to execute any necessary documentation.

Mayor Tate called for a vote. The motion passed with Council voting as follows:

- Mayor Milton Y. Tate, Jr.            Yes
- Mayor Pro Tem Andrew Ebel          Yes
- Councilmember Susan Cantey         Yes
- Councilmember Danny Goss           Yes
- Councilmember Keith Herring        Yes
- Councilmember Charlie Pyle          Absent
- Councilmember Weldon Williams      Absent

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Bid No. 2017-20 Related to the Parking Lot Improvements at the All Sports Building in Hohlt Park and Authorize the Mayor to Execute Any Necessary Documentation.

SUMMARY: During last year’s funding meeting, the BCDC Board voted to fund the construction of the All Sports Building Parking Lot (ASB). Since the ASB construction, this parking lot has been crushed asphalt and all the surrounding parking lots are asphalt with concrete curbs. Over time the crushed asphalt continues to cause maintenance issues with erosion and also does not suit well for a facility that is rented out 48-50 weekend out of the year. We originally budgeted $45,000 for the construction of this parking lot. It was my hopes that a good size parking lot could be constructed for this amount. I was incorrect and later found out that with engineering and recent spikes in concrete and construction costs that the project was much higher than I would expect. We recently bid out the project through Strand and Associates who designed the parking lot and conducted the specifications related to the bid. Their costs to do this was $15,000. This left us with $30,000 for construction.

When the bids were opened on April 10th there were 3 bids received. The bids were broken out into a Schedule 1 Base Bid (Front Parking, Asphalt Option), Schedule 1 Additive Alternate Bid (Asphalt Option Side Drive Aisle, Exit onto Lounge, and Concrete Dumpster Pad) as well as Schedule 2 Base Bid (Front Parking, Concrete Option) and Schedule 2 Additive Alternate Bid (Concrete Option Side Drive Aisle, Exit on Lounge, and Concrete Dumpster Pad).

Bids are listed on the bid tabulation provided. At the April 19th BCDC meeting, BCDC Board members voted to move forward with Schedule 2 Base Bid and Schedule 2 Additive Alternate which would be the construction of the parking lot using all concrete. The lowest bid was provided by Collier Construction at $91,006.50. The board decided that they would use savings from another project that was also funded in the 2017-18 BCDC budget for the additional costs to complete this parking lot with concrete.

We would ask council to approve this bid to Collier Construction for Schedule 2 Base Bid and Schedule 2 Additive Alternate Bid in the amount of $91,006.50 as approved by BCDC on April 19th. All funding will be associated with BCDC funds that are derived from a portion of the sales tax throughout the year.

Re: Hohlt Park - All Sports Building Parking Lot
   Contract No. 2017-20
   City of Brenham, Texas

Dear Dane:

Bids for the above-referenced project were opened on April 10, 2018. Three bids were received with the resulting bid tabulation enclosed.

Collier Construction, LLC of Brenham, TX was the apparent low bidder at $37,893.00 for Schedule 1 Base Bid and $59,661.00 for Schedule 2 Base Bid. The bid included a bid bond for 5 percent and Addendum No. 1 was acknowledged.

Strand Associates, Inc.® has previously worked with Collier Construction, LLC on projects for Blinn College Student Housing Parking Lot. Based on our previous experience with this contractor, we have found Collier Construction, LLC to be responsible.

We suggest that you consider evaluating Collier Construction, LLC’s financial status prior to award and other information submitted to you as required by Article 19.05.2 found in the Instructions to Bidders of the Contract Documents.

Sincerely,

STRAND ASSOCIATES, INC.®

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon an Ordinance on its First Reading Prohibiting U-Turns at Certain Crossings On U. S. Highway 290 at the Highway 36 North Crossover in the City of Brenham

SUMMARY STATEMENT: City staff has been approached by the public about placing “No U-Turn” signs on the bridge crossing along HWY 290 E/W. (See Attached Map). We have worked with TxDOT and they have approved the City moving forward with the placement of the signs. To make these enforceable we would like to ask Council to pass an ordinance prohibiting U-Turns at these two crossings.

If approved we will need a second reading to make the ordinance effective. Once this is finalized, our Street Dept. will work with TxDOT to verify regulations pertaining to height and exact location on the raised median.

STAFF ANALYSIS (For Ordinances or Regular Agenda Items):

A. PROS: This will help the safety of traffic especially when the setting sun blocks visibility and make traffic use the controlled intersection for U-turns.

B. CONS: None other than labor expenses and little material costs

ALTERNATIVES (In Suggested Order of Staff Preference):

ATTACHMENTS: (1) Ordinance; and (2) Map of sign location

FUNDING SOURCE (Where Applicable):

RECOMMENDED ACTION: Approve an Ordinance on its first reading prohibiting U-turns at certain crossings on U. S. Highway 290 at the Highway 36 North crossover in the City of Brenham

APPROVALS: James Fisher
ORDINANCE NO. O-_______

AN ORDINANCE PROHIBITING “U-TURNS” ON U.S. HIGHWAY 290 AT CERTAIN CROSSINGS IN THE CITY OF BRENHAM, TEXAS; DESIGNATING THE LOCATIONS AT WHICH “U-TURNS” ARE PROHIBITED; REGULATING THE TRAFFIC AT SAID CROSSINGS; PROVIDING FOR PENALTY FOR VIOLATION THEREOF; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council of the City of Brenham, Texas hereby finds that it is necessary and appropriate to prohibit “U-TURNS” at certain locations in the City of Brenham to prevent accidents, collisions and damages; to promote the flow of traffic along and into such roadways; and to regulate the same;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BRENHAM, TEXAS:

Section 1. That there shall be established and installed four (4) “NO U-TURN” signs as follows: two (2) shall be installed on U.S. Highway 290 East/West (bridge) at the State Highway 36 North crossover, and two (2) signs shall be installed on U.S. Highway 290 East/West (bridge) at the U.S. Highway 290 Frontage Ramp, regulating U-Turns at these two crossings. The signs directed to be installed by this Ordinance shall comply with the current edition of the Texas Manual on Uniform Traffic Control Devices.

The No U-Turn signs shall be erected at the top of a standard pole, installed in the raised median of the roadway(s) identified herein.

Section 2. That every person operating a motor vehicle or other vehicle of any kind, in, on, along and into the roads or intersections designated in Section 1 hereof, shall comply with the “NO U-TURN” signs regulating traffic at the locations on U.S. Highway 290 designated herein, and further shall be prohibited from making a “U-Turn” at the locations on U.S. Highway 290 designated herein. “U-Turn” as defined in this Ordinance shall mean turning a vehicle so as to proceed in the opposite direction.

Section 3. That any person found guilty of violating Section 2 hereof shall be fined a sum of not less than $1.00 and not more than $200.00, plus applicable court costs.
Section 4. This Ordinance shall take full force and effect from and after its passage, approval and publication as required by applicable law.

PASSED and APPROVED on its first reading this the ____ day of May 2018.

PASSED and APPROVED on its second reading this the ____ day of May 2018.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Bid No. E2017-01 Related to Storm Damage Repairs, Package 1, at Henderson Park and Authorize the Mayor to Execute Any Necessary Documentation

SUMMARY STATEMENT: Several streets and drainage structures were undermined or damaged in the May 2016 flood event, DR-4272. One of these is Higgins Branch within Henderson Park next to N. Park St. This project was submitted to FEMA as part of the damage inventory and is considered an eligible project under the disaster declaration DR-4272. This project is funded at a 75/25 cost share.

The notice to bidders for this project was published March 25, 2018 and April 1, 2018. The submittals were due on April 10, 2018 at 2:00 PM. Six contractors submitted bids ranging from $104,000 to $178,000. Based on discussions with the consultant and City staff the lowest qualified contractor for this project is VML Construction Services.

Tabulation of Bids Received and Engineer's Recommendation

Dear Ms. Lakatos:

We have reviewed the bid tabulation for bids received for the above referenced project. The bids were tabulated and the bid tab is attached for your review. Based on the unit bid prices, VML Construction Services is the responsive low bidder in the amount of $104,772.41.

The bid submitted by VML Construction Services shows no signs of imbalance. Therefore, we pose no objection to the recommendation of awarding the construction contract for City of Brenham Storm Damage Repairs, Package 1 Henderson Park, Project Bid No. E2017-01, to VML Construction Services as the low bidder.

Below is a summary of our full review of the bids received for the project.

On April 10, 2018, a total of Six (6) bids were received and opened for the proposed project in accordance with the Notice to Bidders. The Total Bid was utilized to establish the order of the bids and identification of apparent low bidder.

Bidders and their Total Bids were:

THE CITY AND CONTRACTOR AGREE AS FOLLOWS:

ARTICLE 1
THE WORK OF THE CONTRACT
1.1 Contractor shall perform the Work in accordance with the Contract.

ARTICLE 2
CONTRACT TIME
2.1 Contractor shall achieve Date of Substantial Completion within 60 days after Date of Commencement of the Work, subject to adjustments of Contract Time as provided in the Contract. The Parties acknowledge and agree that the Contract Time is a reasonable time to achieve Substantial Completion of the Work.

2.2 The Parties recognize that time is of the essence for this Agreement and that the City will suffer financial loss if the Work is not completed within the Contract Time. Parties also recognize delays,
expense, and difficulties involved in proving in a legal or arbitration proceeding actual loss suffered by the City if the Work is not completed on time. Accordingly, instead of requiring any such proof, the Parties agree that as liquidated damages for delay (but not as a penalty), Contractor shall pay the City the amount of Two Hundred Fifty and No/100 Dollars ($250.00) for each and every calendar day beyond Contract Time. The Parties further agree that the above-described amount is a reasonable determination of the damages that the City will sustain per calendar day upon the failure of the Contractor to complete Work within the Contract Time, and this amount should in no way be construed as a penalty.

ARTICLE 3
CONTRACT PRICE
3.1 Subject to terms of the Contract, the City will pay Contractor in current funds for Contractor's performance of the Contract, Contract Price of $______________________________, which includes Alternates, if any, accepted below.
3.2 The City accepts Alternates as follows:
   Alternate No. 1 ______ Not Applicable __________________

ARTICLE 4
PAYMENTS
4.1 The City will make progress payments to Contractor as provided below and in the General Conditions.
4.2 The Period covered by each progress payment is one calendar month ending on the [___] 10th, [___] 20th, or [X] last day of the month.
4.3 The Schedule of Values established as provided in paragraph 2.07.A of the General Conditions will serve as the basis for progress payments and will be incorporated into a form of Application for Payment acceptable to Engineer. Progress payments on account of Unit Price Work will be based on the number of units completed. The City will make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment as provided below in paragraphs 4.3.1 and 4.3.2.
4.3.1 Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Engineer may determine or City may withhold, in accordance with paragraph 14.02 of the General Conditions:
   a. For contracts under $400,000.00, 90% of Work completed (with the balance being retainage).
   b. For contracts over $400,000.00, 95% of Work completed (with the balance being retainage).
4.3.2 For contracts over $400,000.00, 90% (with the balance being retainage) and for contracts over $400,000.00, 95% (with the balance being retainage) of materials and equipment not incorporated in the Work (but delivered, suitably stored and accompanied by documentation satisfactory to the City as

00520-2
3/14/2018
4.3.2 Upon Substantial Completion, the City shall pay an amount sufficient to increase total payments to Contractor to 95% of the Work completed, less such amounts as Engineer shall determine in accordance with paragraph 14.02.B.5 of the General Conditions and less 100% of Engineer's estimate of the value of Work to be completed or corrected as shown on the tentative list of items to be completed or corrected attached to the Certificate of Substantial Completion.

4.4 Final payment, constituting entire unpaid balance of Contract Price, will be made by the City to Contractor as provided in the General Conditions.

ARTICLE 5
CONTRACTOR REPRESENTATIONS

5.1 Contractor represents:

5.1.1 Contractor has examined and carefully studied Contract documents and other related data identified in Bid Documents.

5.1.2 Contractor has visited the site and become familiar with and is satisfied as to general, local, and site conditions that may affect cost, progress, and performance of the Work.

5.1.3 Contractor is familiar with and is satisfied as to all federal, state, and local laws and regulations that may affect cost, progress, and performance of the Work.

5.1.4 Contractor has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or contiguous to the site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the site (except Underground Facilities) which have been identified in Contract documents and (2) reports and drawings of a hazardous environmental condition, if any, at the site which has been identified in Contract documents.

5.1.5 Contractor has obtained and carefully studied (or assumes responsibility for having done so) all additional or supplementary examinations, investigations, explorations, tests, studies, and data concerning conditions (surface, subsurface, and Underground Facilities) at or contiguous to the site which may affect cost, progress, or performance of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor, including applying specific means, methods, techniques, sequences, and procedures of construction, if any, expressly required by the Contract to be employed by Contractor, and safety precautions and programs incident thereto.

5.1.6 Contractor does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for performance of the Work at Contract Price, within Contract Time, and in accordance with the Contract.
5.1.7 Contractor is aware of general nature of work to be performed by the City and others at the site that relates to the Work as indicated in Contract documents.

5.1.8 Contractor has correlated information known to Contractor, information and observations obtained from visits to the site, reports and drawings identified in the Contract, and all additional examinations, investigations, explorations, tests, studies, and data with the Contract.

5.1.9 Contractor has given City Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract, and written resolution thereof by City Engineer is acceptable to Contractor.

5.1.10 Contract documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

ARTICLE 6
MISCELLANEOUS PROVISIONS

6.1 The Contract may be terminated by either Party as provided in Conditions of the Contract.

6.2 The Work may be suspended by the City as provided in Conditions of the Contract.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Authorization of Final Payment to Hassell Construction Co., Inc. for Emergency Road Work and Storm Damage Repairs, Package 2B, to Jefferson Street at Higgins Branch and Authorize the Mayor to Execute Any Necessary Documentation.

SUMMARY STATEMENT: Hassell Construction Co., Inc. has completed the Jefferson Street at Higgins Branch crossing repairs that resulted from the May 2016 storm events and Hurricane Harvey, August 2018. The scope of work included channel, culvert and roadway replacement and repairs. This removed a corrugated metal pipe and replaced it with reinforced concrete boxes and added slope paving and riprap to protect from future erosion.

The project included one change order, a deduction from the overall project, -$35,060.00. The contract was originally awarded for $536,066.00. The final cost with the deduction is $501,006.00.

This project has been submitted to FEMA as part of DR-4272, May 2016 Storm and DR-4332, Hurricane Harvey. No funding has been obligated at this time, but the City will continue to work through the process in hopes that FEMA will consider the project eligible for reimbursement.

By: Misty Wells, Attorney-in-Fact
POWER OF ATTORNEY

KNOW ALL BY THESE PRESENTS: That THE GUARANTEE COMPANY OF NORTH AMERICA USA, a corporation organized and existing under the laws of the State of Michigan, having its principal office in Southfield, Michigan, does hereby constitute and appoint

Scott D. Chapman, Kevin McQuain, Justin McQuain, Rosalyn D. Hassell, Maxine Elaine Lewis, Jeanne M. Buchan, Keith M. Illa, Misty Witt, Cheryl R. Colson

CHS Insurance Services, LLC

its true and lawful attorney(s) in fact to execute, seal and deliver for and on its behalf as surety, any and all bonds and undertakings, contracts of indemnity and other writings obligatory in the nature thereof, which are or may be allowed, required or permitted by law, statute, rule, regulation, contract or otherwise.

The execution of such instrument(s) in pursuance of these presents, shall be as binding upon THE GUARANTEE COMPANY OF NORTH AMERICA USA as fully and amply, to all intents and purposes, as if the same had been duly executed and acknowledged by its regularly elected officers at the principal office.

The Power of Attorney is executed and may be certified so, and may be revoked, pursuant to and by authority of Article IX, Section 9.03 of the By-Laws adopted by the Board of Directors of THE GUARANTEE COMPANY OF NORTH AMERICA USA at a meeting held on the 31st day of December, 2003. The President, or any Vice President, acting with any Secretary or Assistant Secretary, shall have power and authority:

1. To appoint Attorney(s) in fact, and to authorize them to execute on behalf of the Company, and attach the Seal of the Company thereto, bonds and undertakings, contracts of indemnity and other writings obligatory in the nature thereof, and

2. To revoke, at any time, any such Attorney in Fact and revoke the authority given, except as provided below.

3. In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

4. In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner - Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

Further, this Power of Attorney is signed and sealed by facsimile pursuant to resolution of the Board of Directors of the Company adopted at a meeting duly called and held on the 8th day of December 2011, of which the following is a true excerpt:

RESOLVED that the signature of any authorized officer and the seal of the Company may be affixed by facsimile to any Power of Attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, contracts of indemnity and other writings obligatory in the nature thereof, and such signature and seal when so used shall have the same force and effect as though manually affixed.

IN WITNESS WHEREOF, THE GUARANTEE COMPANY OF NORTH AMERICA USA has caused this instrument to be signed and its corporate seal to be affixed by its authorized officer, this 23rd day of February, 2012.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Authorization of Final Payment to Site Work Contractors LLC for Emergency Road Work and Storm Damage Repairs, Package 3, for Barbee Street at Unnamed Tributary to Hog Branch and Authorize the Mayor to Execute Any Necessary Documentation.

SUMMARY STATEMENT: Site Work Contractors LLC. has completed the Barbee Street crossing repairs that resulted from the May 2016 storm events and Hurricane Harvey, August 2018. The scope of work included stabilizing the material under the roadway and around the culverts and headwall with in the Unnamed Tributary to Hog Branch. It also included filling in the deep hole that was created due to the high flow rates within the water way and the installation of riprap to mitigate future erosion downstream, around, and under the roadway.

The project included one change order, a deduction from the overall project, -$56,615.00. The contract was originally awarded for $178,981.00. The final cost with the deduction is $122,366.00.

This project is eligible for FEMA funding at 75/25 cost share as part of DR-4272, May 2016 Storms. The City will have to submit the modified scope of work to FEMA for approval. The hope is that FEMA will consider the entire cost of the project eligible for reimbursement.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Resolution No. R-18-006 in Opposition of the Bluebonnet Haven Residential Facility

SUMMARY STATEMENT: The City of Brenham is supporting the Brenham Independent School District (BISD) in their opposition to the opening of Bluebonnet Haven Residential Facility, which is to be located in the BISD jurisdiction. This facility will have a negative economic effect on BISD, as it will substantially increase the student special education population and the services required for students in this program. BISD will be expected to cover all educational costs incurred above any state and/or federal fund reimbursement. BISD currently lacks the funds needed to hire the additional specialized staff needed to provide services to the residents of Bluebonnet Haven.

RESOLUTION NO. R-18-006

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BRENHAM, TEXAS IN OPPOSITION OF BLUEBONNET HAVEN RESIDENTIAL TREATMENT CENTER.

WHEREAS, Bluebonnet Haven, LLC ("Bluebonnet Haven") is constructing a residential treatment center ("Facility") located on Highway 36 South, immediately south of the City of Brenham corporate limits, in Washington County, Texas; and

WHEREAS, Bluebonnet Haven is applying for a license from the Texas Department of Family and Protective Services for the operation of the Facility as a residential treatment center; and

WHEREAS, on April 19, 2018 the Board of Trustees of the Brenham Independent School District ("BISD") approved a Resolution in opposition to the Bluebonnet Haven Residential Treatment Facility being constructed in Washington County, Texas ("BISD Resolution"), a copy of said Resolution being attached hereto as Exhibit “A” and incorporated herein for all pertinent purposes; and

WHEREAS, the findings and recitation of facts made by the Board of Trustees in said BISD Resolution clearly demonstrate the significant detrimental impact said Facility will have on the resources and finances of the BISD;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BRENHAM, TEXAS, THAT:

Section 1: Based on the findings and recitation of facts made by the Board of Trustees in said BISD Resolution, which clearly demonstrate the significant detrimental impact said Facility will have on the resources and finances of the BISD, the City Council of the City of Brenham ("City Council") fully supports and joins with the BISD Board of Trustees’ opposition to the Facility.

Section 2: The City Council strongly opposes the issuance of any license to Bluebonnet Haven by the Texas Department of Family and Protective Services for the operation of a residential treatment center or similar facility in Washington County, Texas.

RESOLVED this the 3rd day of May, 2018.

Whereas, Brenham ISD currently has a special education population that exceeds the state average of 8%; and

Whereas, Brenham ISD currently educates students from four different Residential Treatment Facilities in Washington County; and

Whereas, the enrollment of proposed residents of Bluebonnet Haven in Brenham ISD would substantially increase the student special education population and the intensity of services required for students in special education programs, and would result in a disproportionately high number of students in special education programs to students in regular education programs; and

Whereas, Brenham ISD would be required to hire additional specialized staffing in hard to fill areas upon enrollment of proposed residents of Bluebonnet Haven in Brenham ISD; and

Whereas, Brenham ISD would be expected to cover all educational costs incurred above state and federal fund reimbursements and currently lacks the resources to hire the additional specialized staff to provide services to the proposed residents of Bluebonnet Haven; and

Whereas, Brenham ISD would be expected to pay costs to rent facility to educate students at this residential treatment center and currently lacks the resources to pay such costs; and

Whereas, the District will continue to value and provide a safe and secure environment for ALL our campuses;

Now therefore, be it resolved by the Brenham ISD Board of Trustees of Washington County, Texas that:
Resolved, the BISD Board of Trustees completely and unequivocally oppose the opening of, and partnering with, the Bluebonnet Haven Residential Treatment Facility; and

Resolved, the BISD Board of Trustees finds that the enrollment of the proposed residents of Bluebonnet Haven would have a detrimental impact on the ratio of the number of students in special education programs to the number of students in regular education programs and that BISD currently lacks the resources to provide specialized instruction to the proposed residents of Bluebonnet Haven; and

Resolved, the BISD Board of Trustees further strongly urge the Texas State Licensure Board to deny any form of license to operate this facility in Washington County, which encompasses a total population of 35,056 residents.
