**AGENDA ITEM DESCRIPTION:** Discuss and Possibly Act Upon Bid No. 19-001 for HVAC Service and Maintenance for Various City Facilities and Authorize the Mayor to Execute Any Necessary Documentation

**SUMMARY:** On May 3, 2019 Purchasing and City staff opened bids related to annual HVAC service and maintenance work throughout the year. Due to the loss of our full-time HVAC Technician and the lack of applicants for that position we have decided to pursue an annual contract for this work. Jeana Bellinger, myself and Stephen Draehn worked diligently to put together a bid that will provide for this work throughout the year and give the City of Brenham a reliable, knowledgeable, and reactive company top handle our HVAC needs for all city facilities except the Library.

Bids were competitive with 3 companies submitting costs. R.E.C. Industries, Inc. submitted the lowest base bid which includes all city facilities along with some routine service work that is scheduled annually and bi-annually. As seen in the bid tabulation R.E.C. submitted a base bid price of $20,264.00 annually with labor rates at $95, $45, $142.50 (weekend rate) and $190 and $90 (Holiday rate).

Staff has checked references on R.E.C. and has received positive feedback from other cities and state departments who they are currently servicing. They have been in business for 39 years and are located in Bryan, TX. This contract is for 1 yr. with the option to renew for two additional 1 yr. terms. Cary has reviewed this bid and contract and has approved both documents.

We look forward to working with R.E.C. and also by going this route it may provide some savings compared to having a full-time HVAC Tech on staff.

We would like to ask council to award Bid # 19-001 to R.E.C Industries, Inc. in the amount of $20,264.00 along with hourly rates as stated in the bid tabulation.

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon a Contract for Uniform Rental Services for Various City Departments and Authorize the Mayor to Execute Any Necessary Documentation

SUMMARY: The City of Brenham took quotes related to providing weekly uniform service to multiple departments. Currently the City is with Cintas who purchased G&K Services while we were trying to work out a new contract back in 2018. Since this time we have been month to month regarding billing. The service that we have received from the new company Cintas has been below expectations and far from the service we were receiving from G&K services.

We have quoted this service out due to the total annual costs falling below $50,000. We looked at 3 companies which were Alsco, Aramark, and Gorman’s Laundry Co. After evaluating the quotes and considering price, customer service, product options, and reference checks we have chosen to pursue Gorman’s Laundry Co. as our new uniform vendor. Gorman’s is very comparable to both Aramark and Alsco and provides a lower price on most products offered. They have also displayed excellence in customer service as was warranted by reference checks and numerous meeting with staff. Their main warehouse is located in Schulenburg although they originally started in Houston many years ago and still have many customers in that area.

We have worked on a 2 year contract with Gorman’s Laundry Co in which we will have the option to renew for an additional 2 years if both parties agree. Cary has review and modified the agreement and both parties agree. We would like to ask Council to award this annual service to Gorman’s Laundry Co. Both Public Works and Public Utilities utilize this service with around 50 employees outfitted with rental uniforms.

Once this is approved our month to month agreement will cease with Cintas and our employees will be sized for their new uniforms through Gorman’s. Other items that we use are shop towels and floor mats.

STAFF ANALYSIS (For Ordinances or Regular Agenda Items):
A. PROS: Will be getting new uniforms and gaining better service.
B. CONS: None that we can see

SUMMARY STATEMENT: Brazos Exec Air, Inc. (Jeff Davis) currently has a ground-space lease agreement for the hangar at 2903 Aviation Way. Mr. Davis is in the process of selling the hangar to G3 Investments, LLC (David Gaither). Therefore, attached for consideration is an assignment of lease from Brazos Exec Air, Inc. to G3 Investments, LLC as well as a memorandum of lease. Mr. Bovey’s office has worked with other clients using assignment of leases and have reviewed these documents.

F. FIELD USE CHARGES.

Nothing herein shall be deemed to relieve Lessee and its tenants, sublessees, patrons, invitees, and others from field landing fees, nor its guests from fuel flowage fees, as are levied by City or the Fixed Base Operator.

G. PAYMENTS DUE.

Lessee agrees that no payments owed by Lessee of any nature whatsoever to City, including payment in advance for service charges, such as garbage collection, or any other sums of any character whatsoever, shall become delinquent or in arrears.

The CITY OF BRENHAM reserves the right to require that the amount of any and all types of insurance may be increased upon the CITY OF BRENHAM giving thirty (30) days notice to Lessee or any sublessee.

4.
