4. **Discuss and Consider Approval of Economic Restructuring Committee Recommendation that the Board Request Stop Signs at 4 Downtown Intersections, Possibly to Include Main Street at Baylor Street; Main Street at Douglas Street; Alamo Street at Douglas; and Alamo Street at Baylor Street.**

   Jim Moser presented this item reminding the group of the current positive relationship with TxDOT and stated that the Economic Restructuring Committee has recommended that stop signs installed Downtown be requested from TxDOT to assist with slowing down traffic speed in the Downtown area. In addition to the signs, the ERC has also discussed measures to ensure the public is aware of the change in traffic flow through the use of rumble strips, lighted signs, or similar. The original ERC recommendation included stop lights at all four corners around the Courthouse square. Based on conversations with Senator Lois Kolkhorst’s office, it was suggested that only the northeast and southwest corners of the Courthouse have lights installed.

   Wende Ragonis added that TxDOT sent a landscape engineer to complete a study of the situation and that the vote from the Main Street Board simply acknowledges that they would like to move forward with the project and/or study.

   Mark Schneider questioned the current speed of Main & Alamo Streets. Jennifer Eckermann stated it is 25 mph however that it is rarely followed.

   Eckermann also directed the Board to an included map in the packet which outlines the suggested locations of stop signs. Chair Margie Young expressed concern about being unable to back out of parking spaces if traffic is held up at a light. Connie Wilder and Traci Pyle agreed and expressed concern about stop signs. Jim Moser reassured the Board that by passing this motion, it only signifies a desire to continue with further traffic studies to find a solution that may or may not be stop signs.

   A motion was made by John Hermann and seconded by Mark Schneider to approve the Economic Restructuring Committee recommendation that the Board request stop signs at four Downtown intersections, possibly to include Main Street at Baylor Street; Main Street at Douglas Street; Alamo Street at Douglas; and Alamo Street at Baylor Street.

   Chair Margie Young called for a vote. The motion passed with the Board voting as follows:
5. **Update on Texas Capital Fund Main Street Grant for Project in Southside District.**

Jennifer Eckermann reminded the Board that there are two major projects that are being funded in the 2017-2018 budget. One is the Park Street drainage project which would be funded by the City’s general fund and the other is a streetscape project along that same area to be funded in assistance with BCDC funds. Originally the request for the Park Street drainage project submitted to the Texas Capital Fund was for $250,000 with an additional 30% match by the City however they have discovered the last few projects funded by the Texas Capital Fund have primarily been for sidewalk projects. This caused the group to reevaluate their project needs and change their focus over to the sidewalk project. The application is due October 16, 2017.

6. **Discuss and Consider Approval of Design Committee Recommendation to Mail Updated Downtown Design Guidelines and Incentive Grant Flyer to All Downtown Property Owners.**

Jennifer Eckermann stated that the Design Committee recently updated the Design Guidelines and that the Committee desires to mail these guidelines as well as a letter from the Board stating the purpose of the guidelines and information on the Incentive Grant and Economic Impact and Innovation Grant (EIIG).

A motion was made by Connie Wilder and seconded by John Hermann to approve the mailing of the updated Downtown Design Guidelines and Incentive Grant flyer to all Downtown property owners.

Chair Margie Young called for a vote. The motion passed with the Board voting as follows:

Jennifer Eckermann reviewed the recent activities of the Design Committee which included organizing the lighting of the Downtown the first weekend of Round Top and then begin to be lit every weekend. The convertible street design for Douglas Street is in process and should be delivered shortly.

The Design Committee has been assisting The Book Nook which is interested in painting their new building.

Eckermann continued that the Design Committee has welcomed new member Doug Peck who is assisting with the upcoming Texas Arts and Music Festival. Eckermann stressed that property owners have the final say on the murals and that murals will only be placed on walls that they were permitted to use.
10. **Organization Committee Report to Include Updates on the Oral History Project; Local History Day Sustainability and Upcoming Merchant Mixer.**

Jennifer Eckermann stated that there have been persistent problems with attempting to film Oral Histories at the Library and that use of the Brenham High School facility to film these videos again would be a great help. Walter Jackson agreed and said he couldn’t see any problem with the Organization Committee utilizing their facilities for Oral History filming. Eckermann continued updating the Board about changes to the Local History program. In order to remain effective and sustainable, the Organization Committee has transitioned to only offering the program to fourth graders as well as opening the program to fourth graders in private schools and homeschooled groups. Eckermann stated this change was merely an idea to be discussed at this point and is not finalized. Eckermann also noted that a Merchant Mixer is scheduled for later in the month.

11. **Promotion Committee Report to Include Update on 2017 Scarecrow Extravaganza; Update on Programming for the Barnhill Center; and Review of Accomplishments Flyer for Sponsors.**

Traci Pyle opened by stating the Promotion Committee was meeting in the upcoming week, however they have been working on the Scarecrow Extravaganza. Programming for the Barnhill Center is ongoing but they have an exciting season of events coming soon. Jennifer Eckermann stated that Promotion Committee will be seeking out sponsors for the upcoming Uptown Swirl and that they have since created a one-page document outlining what Main Street Brenham does and the benefits of supporting the organization.

12. **Economic Restructuring Committee Report to Include Updates on Possible EIIG Applicants; Discussed Change to Texas Capital Fund Main Street Grant Application Request; Discussed Next-Steps with TxDOT and Recommended Letter Requesting Stop Signs Downtown; and Update of Committee on Board Action to Recommend RFP for Former City Hall and Surrounding Properties.**

Jim Moser had reviewed most of the items earlier in the Board meeting, however did update the Board on the request for proposal (RFP) in which the ERC chose to wait to pursue due to discussions with a potential hotel that may wish to use the property.

13. **Washington County Chamber of Commerce and Convention and Visitors Bureau Report, Including Recent Promotional Activities and Special Events.**

Jenny Mills opened by stating the most recent First Sunday Funday was a little slower than expected due to the weather and a holiday weekend, but some businesses still reported positive reports. Local hotels have experienced about 40% occupancy with many Houstonians staying in the area during the recovery from Hurricane Harvey. Page Michel announced to the Board that there are several events coming up, one being a Small Business Success Workshop which will cover cyber safety for small businesses on September 15, 2017. Michel added that a Legislative Wrap-up Forum with Senator Lois Kolkhorst is scheduled for October 4, 2017.
