5. Discuss and Consider Report on Main Street Raised Funds and Proposed Plan for Spending Approval.

Jennifer Eckermann presented this item beginning with the preliminary financial report from the 2018 Uptown Swirl noting that the net revenue is more than last year’s event. Eckermann stated that based on this report when comparing this year’s Uptown Swirl to the 2017 event, online sales, sponsor revenue and day-of sales all show an increase, while in-store sales decreased.

Eckermann stated that there are three different funds set up by the City which rollover into the next year. These include the Downtown Improvement Fund as well as the Incentive Awards Fund and Main Street Grants Fund, which has yet to be used and contains $2,500.

Eckermann reminded the group of several commitments to-date with these funds:
- In January 2018, the Board had approved to re-fund the Incentive Grant Fund with $10,000.
- The Board also committed to match with BCDC to fund two Economic Impact and Innovation Grants of $7,500 each, totaling $15,000
- $2,000 toward the Sign Grant - $1,500 remaining
- Up to $5,000 for the lighting of Alamo Alley and Belle’s Alley.

Thus, Eckermann proposed to combine the Incentive Grant Fund and Incentive Awards Fund and allocate the Incentive Grant Fund, Sign Grant, and EIIG Grants to this Fund, which would total $31,951.
Eckermann has proposed that staff have approval for spending funds up to $2,500 for items like wine glasses for the Wine Swirls, scarecrows for the Scarecrow Extravaganza, eggs for the Spring Eggs Art Walk and other necessary supplies as they pertain to Main Street events. Any amount greater than that will be presented to the Executive Committee and Board for approval.
