### **Citizen Participation and Feedback Encouraged for Brenham's Future**

The Open House is fast approaching!

Brenham ISD is hosting their annual fundraiser, Arts and Appetizers this Wednesday, February 28<sup>th</sup> from 5:30 - 7:00pm at the Ant Street Inn. In an effort to encourage participation at both events, the **Open House on Brenham's Future will be held from 6:30 - 8:00pm at the Barnhill Center on February 28, 2019.** The Open House on is a come-and-go event, so after you bid on your favorite art piece at the Ant Street Inn, walk on over to the historic Barnhill Center and participate in planning **Brenham's Future**.

The City is updating the Comprehensive and Thoroughfare Plans and these long-range plans are most effective with citizen participation and community feedback. The goal of the Open House is to gather feedback on concepts and specific elements of Brenham's future including public utilities and infrastructure, land use and development, economic opportunity, parks and recreation, and more. Join us at our second community input event.
