## **PRESS RELEASE**

**April 10, 2020**

Washington County officials announced Friday that a second COVID-19 patient has died. A female, 90-99 years old with multiple underlying conditions passed away Friday afternoon. "It is, again, with a heavy heart that we have to announce that Washington County has lost another of our residents to COVID-19," said Judge John Durrenberger, Washington County Judge.

The community is asked to keep this family, and all those fighting the COVID-19 battle in your thoughts and prayers and to continue following the CDC guidelines to help reduce the spread during this Easter weekend. If you have questions or concerns regarding COVID-19, please call the toll-free COVID-19 Helpline at 800-845-8035.
