COVID-19 Update: Brenham Parks and Recreation

As the City of Brenham Parks and Recreation Department continues to reopen facilities and amenities, and continue programming, we remain proactive and cautious in our adjustments to provide a safe environment for families and our staff as we follow guidance and safety protocols from the Governor's orders, local public health and safety officials, and the CDC.

While out enjoying the parks and amenities, please continue to use precautions to keep you and your family safe. Remember to exercise physical distancing with all activities, wash your hands or use sanitizer after touching high-touch surfaces, and follow CDC guidelines.

What's Open

- Parks, trails, and open space
- Restrooms
- Tennis Courts
- Pickleball Courts
- Sports Fields
- Skate Park

Park facilities closed until further notice

- Playgrounds
- Fitness Equipment
- Basketball and volleyball courts
- Park facility rentals
- Flying Horses Carousel

The splashpad at Henderson Park is nearing completion. We are in the final phase of construction which includes adding coating colors to the surface floor along with sodding around the perimeter of the site. We anticipate opening the splashpad in 3-4 weeks. A shade structure surrounding the seating wall will also be added soon thanks to a generous donation by HEB Tournament of Champions Charitable Trust.
